45th Annual Commencement Ceremony

Thursday, May 26, 2022
12 p.m.

Red Bull Arena
600 Cape May Street
Harrison, NJ 07029

A MESSAGE FROM THE PRESIDENT

Christopher M. Reber, Ph.D.

Dear Graduates of the Classes of 2020, 2021 and 2022,

All members of the HCCC Family join me in conveying our heartfelt congratulations to you for completing your HCCC degrees! We are delighted to celebrate your graduation in-person at our first on-ground Commencement ceremony since the beginning of the pandemic, and, for the first time, at the beautiful Red Bull Arena!

Former Secretary of State Madeleine Albright once said, "We can't just be actors, we have to be the authors of our own history." You have been living those words! Despite the pandemic, economic and social challenges, and so much more, you chose to create chapters in your history that have led to this day, and to fulfilling opportunities and outcomes for you, your family, and our society going forward and throughout your lifetimes.

We are very proud of you and your achievements! Always remember that "Hudson is Home," and we are your family.

Sincerely,

Christopher M. Reber
President

2022 COMMENCEMENT SPEAKER

Pedro Moranchel

Pedro Moranchel was born in West New York and has lived in Jersey City for most of his life. He is a proud son of two immigrants, his father Mexican and his mother Honduran. Inspired by the vulnerability and strength of his parents discussing the nuances of their immigration at age 18, Pedro made the spontaneous decision not to attend college at Michigan and instead head to HCCC for a fresh start in life. That choice culminated in a heavy involvement on campus and student life, becoming a national *Achieving the Dream* Scholar and Jack Kent Cooke Transfer Scholar, and attending Princeton University as a mathematics major, now a junior. Driven by service, Pedro aims to work at the intersection of science, policy, and education as a mathematical physicist advocating for science policy with key professionals while promoting diversity in STEM education.

As a student, Pedro was Vice President of Scholarship for the College's chapter of Phi Theta Kappa International Honor Society, President of the HCCC STEM Club, and Director of the Inter-Club Council of the HCCC Student Government Association. He participated in the Summer Research Experiences for Undergraduates (REU) program at Queensborough Community College, which was funded by the National Science Foundation; a B2B research experience at Montclair State University; and a 10-week internship at the Princeton Plasma Physics Laboratory. He was a volunteer in several environmental clean-up projects in Hudson County. One of Pedro's goals is to improve student success and close achievement gaps for historically underserved student populations. He plans to contribute to diversity programs connected to STEM as a professor or person of influence in Hudson County.

2022 HERITAGE AWARD RECIPIENT

Dr. Joseph Sirangelo

Dr. Joseph Sirangelo has over 41 years of experience in urban public schools. Currently the Director of Planning, Research, and Evaluation at the Hudson County Schools of Technology (HCST) in Secaucus, New Jersey, Dr. Sirangelo has utilized his 30 years of school administration experience to help the HCST District achieve success. As a facilitator of numerous workshops in Strategic Planning, Technology Planning, and Collaborative Action Research, Dr. Sirangelo continually encourages teachers and staff to implement innovative practices and techniques that keep the HCST District competitive in the 21st century. During his tenure in the District, HCST has been featured in *New Jersey Monthly Magazine*, *Family PC Magazine*, and was honored with Three Star School Awards. Dr. Sirangelo earned a Bachelor of Science degree in Business Management from Saint Peter's College (now Saint Peter's University) in Jersey City; a Master's degree in Educational Administration from Columbia University; and a Doctorate of Education from Nova University.

The College extends its congratulations to all graduates and welcomes families and friends who are celebrating with us today.
