

### **1. What is the difference between the Free Application for Federal Student Aid (FAFSA) and the New Jersey Alternative Financial Aid Application?**

While the applications require similar information, the FAFSA is used to determine eligibility for both federal and state aid while the New Jersey Alternative Financial Aid Application is used solely to determine eligibility for New Jersey state aid. A student should only complete one application and choose that application based on the following:

**a. You should complete the FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) if you are a:**

-Person who has a Social Security number who is either:

-A U.S. Citizen **or**

-An eligible non-citizen, per the FAFSA definition (<https://fafsa.ed.gov/help/fotw15a.htm>)

**b. You should complete the New Jersey Alternative Financial Aid Application if you:**

Do not meet the FAFSA definitions above **or** do not have a Social Security Number, **and** if you have an undocumented immigration status, **and** if you meet all the qualifications listed below:

-Attended a New Jersey high school for at least three (3) years

-Graduated from a New Jersey high school **or** received the equivalent of a high school diploma in New Jersey

### **2. As an undocumented student, am I eligible to apply for state student aid?**

Yes. New Jersey's state-funded financial aid for higher education is now available to all qualifying students, regardless of their immigration status. Under a new policy signed into law by Governor Phil Murphy on May 9, 2018, graduates of New Jersey high schools who do not have documented immigration status, but who meet other qualifying criteria, will be eligible to apply for state-funded financial aid for postsecondary education.

### **3. As an undocumented student, am I eligible to apply for federal student aid?**

No, undocumented students are not eligible for federal student aid. However, if you attend an eligible New Jersey institution of higher education, you will be considered for New Jersey state financial aid—such as the Tuition Aid Grant Program (TAG), Educational Opportunity Grant (EOF), New Jersey Student Tuition Assistance Reward Scholarship (NJSTARS) Programs, and Governor's Urban Scholarship (GUS) – if you complete the New Jersey Alternative Financial Aid Application.

#### **4. How do I apply for State Financial Aid as an undocumented student?**

The New Jersey Alternative Financial Aid Application is used by undocumented students who meet all the eligibility requirements. The New Jersey Higher Education Student Assistance Authority (HESAA) processes the application, and any aid received can only be used at eligible New Jersey institutions. The New Jersey Alternative Financial Aid Application can be found here:

<https://www.hesaa.org/Pages/NJAlternativeApplication.aspx>.

U.S. citizens and eligible non-citizens such as permanent residents should complete the FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa>. They may be eligible for federal student aid as well as New Jersey state aid.
