Hudson County Community College Practical Nursing Program

At HCCC, students will gain knowledge and experience in the art and science of nursing. Clinical experiences will occur across a variety of healthcare settings including hospitals, nursing homes, and home care agencies. Admission to the program is competitive and requires additional admission testing. The curriculum is challenging and requires dedication to studying and preparation both for class and clinical experiences. The education that one will receive at HCCC will assist the graduate to become a productive member of the nursing profession. The faculty and staff are eager and ready to work with students to encourage both personal and professional growth.

Program Objectives

Upon completion of the Practical Nursing program, the graduate will:

1. Practice holistic nursing using human needs as a framework.
2. Implement caring interventions in a variety of settings based on the nursing process.
3. Communicate effectively with clients and members of the interdisciplinary health care team.
4. Act in a manner consistent with legal and ethical standards of practice.
5. Perform all learned nursing skills safely.
6. Meet the cultural/spiritual needs of a diverse population.
7. Value critical thinking in the decision-making process.
8. Assume responsibility for continuing professional and personal development.

Program Outcomes

1. 80% of the graduates will pass the NCLEX- PN Examination on the first attempt.
2. Within 9 months of passing the NCLEX-PN 75% of graduates will be employed as licensed Practical Nurses.
3. Within one year of graduation, 85% of responding graduates will express satisfaction with the program of study.
4. Within one year of employment, 85% of employers will express satisfaction with the graduate's performance.
5. Within three years of graduation, 85% of those graduates who enrolled in a RN Program will express satisfaction with the articulation process.

Admission Requirements

HCCC maintains an open admission policy; any residents of Hudson County who is 18 years of age or older with or without a high school diploma may be admitted. All applicants must submit the following items:

1. HCCC application
2. Official copy of High school transcript/diploma or GED
3. Official transcript of all college credit/transcript

*Foreign students must have their transcript reviewed and accredited by a member agency of NACES credentialing. A list can be obtained from the office of Enrollment Services or downloaded from www.naces.org/members.html.

4. Social Security Card and/or valid state ID
5. College Placement Test - Exit Academic Foundations and/or ESL
6. Complete the following three courses with a minimum G.P.A. of 2.0

- College Composition I
- Math for Health Sciences/ College Algebra
- Human Biology (If you have completed BIO 211, it will be accepted in place)

*These three courses **must** be completed **before** beginning the first nursing course.*

7. Successful completion of the ATI-TEAS or NLN-PAX program entrance exam or submit SAT scores
8. Health screening; proof of health insurance, CPR certification and professional liability insurance
9. Criminal background check

Admission to the program is a competitive process, based on standardized test and academic transcript.

Application Process

1. Complete the HCCC application. Apply online at:

<https://www.hccc.edu/admissions/applyinghccc/index.html>

2. Complete the PN program application (attached).

<https://www.hccc.edu/programs-courses/resources/documents/practical-nursing-application-fillable.pdf>

3. Schedule the ATI-TEAS or NLN-PAX exam.
4. Students will receive a letter of acceptance through e-mail & posted mail.

Legal Considerations:

Acceptance into the Practical Nursing Program (PN) is contingent upon student showing proof of legal immigrant status or US Citizenship which will allow the student to qualify for employment authorization and/or social security card. In addition, students in this program are required to pass a criminal background check and drug screening with satisfactory results acceptable by Hudson County Community College (“HCCC”) and/or participating clinical facilities.

Failure to maintain legal status, qualify for employment authorization, or pass a criminal background check or drug screening may result in admission being denied/rescinded or termination of enrollment.

If for any reason, a student does not complete the clinical requirement of the Nursing Program, that student will not be eligible to graduate from the Nursing Program.

Questions about immigration status and whether a candidate will qualify for professional licensure under the federal law should be directed to the U.S. Citizen and Immigration Services at: 1-800-375-5283.

ENTRANCE EXAM

ENTRANCE EXAM:

The Entrance Exam that is used for the Practical Nursing program is the ATI-TEAS or the NLN-PAX exam. The exam is comprised of four main areas: reading, English and language usage, mathematics, which includes basic calculations, word problems, and incorporates algebra, geometry, conversions, graphs, and applied mathematics; and the sciences, which examine general biology, chemistry, physics, and earth science. At least a score of 60% percentile rank on each of the sections for the ATI-TEAS and a score of 50% for the NLN-PAX: English and language usage, reading, math, and science). The guides can be purchased at the college bookstore or from published websites.

*The entrance exam is a **timed** test. Students should prepare themselves and practice taking these tests. Books you may want to purchase to assist you in preparing for the admission test include the following:*

TRANSFER CREDIT–COLLEGE COURSES

An applicant who has completed college level courses from an accredited US college or university will be evaluated for up to 15 general education credits towards a certificate, provided the grade is C or better and, the credits meet the course requirements of the Hudson County Community College.

For further information and transfer of credits from foreign institutions please refer to Hudson County Community College Catalog.

TRANSFER CREDIT-NURSING COURSES

Transfer of prior nursing credits beyond Practical Nursing I is not permissible. NSG 110 (from HCCC) is the only course that will be accepted in lieu of PNU 101.

FUNCTIONAL REQUIREMENTS OF THE NURSING PROGRAM

In order for safe nursing practice to occur and for students to be qualified to participate in and complete the program a nursing student must be able to perform these essential functions. Listed below are the Essential Functions of a student nurse. Applicants need to be aware of these Essential Functions prior to acceptance. Students must be able to performance the essential functions with or without reasonable accommodations. It is the student's responsibility to notify the College of any disability impacting on his or her ability to perform the essential functions prior to entering the Nursing Program.
