FOR ACADEMIC YEARS 2023-24
THROUGH 2026-27**

This Agreement between the Hudson County Community College (HCCC) and the Bayonne Board of Education (BBOE) is for the purpose of HCCC providing dual credit instruction in selected courses for high school students enrolled in Bayonne High School (BHS). BHS students enrolled in HCCC classes will have the opportunity to earn HCCC credits for selected college courses taught either (1) by their approved high school instructors during or after school as part of their regular teaching responsibilities, or (2) by HCCC faculty either on-campus at HCCC or through a remote modality.

Faculty Qualifications and Responsibilities

1. High school instructors teaching HCCC courses as part of the high school curriculum are required to meet the minimum educational requirements in the subject area(s) being taught or in a closely related discipline and must receive approval from the HCCC faculty coordinator or Dean responsible for that subject area, and shall be subject to approval by HCCC prior to the commencement of instruction.
2. High school instructors teaching HCCC courses must follow the HCCC curricula, utilize required texts, maintain required minimum instructional hours (i.e., 750 minutes per credit), administer HCCC exams and submit both grades and attendance reports to HCCC by specified dates.
3. Class observation(s) will be conducted by HCCC supervisor(s). HCCC reserves the right to remove approvals of BHS instructors who do not meet HCCC standards of instruction.

Provision for Alternate Scheduling and Registration

Instruction for each approved course on BHS campuses may follow the high school schedule as it relates to start-and-end dates and frequency, as long as the required minimum instructional hours and all course outcomes are met.

Student Enrollment

1. Selection for participation in the courses covered under this agreement will initially be determined by BHS, provided that all selected students meet all course pre-and-co-requisites of BHS and HCCC. BHS will select students who demonstrate a proficiency for college-level work and a reasonable chance for successful completion.
2. HCCC will arrange with BHS for the administration of the College Placement Test for selected students and students must meet the minimum scores required by each applicable HCCC academic department to qualify to take specific HCCC courses. Students who do not meet the minimum requirements in both items 1 and 2 shall not be permitted to participate in the courses covered under this agreement. However, such students will be permitted to take required developmental and/or pre-requisite courses for the below listed course at the same tuition rates listed below.
3. Participating students must complete the HCCC Early College online application and student agreement form within the time frames established by HCCC. BHS will submit completed student agreement forms, signed by the participating student's school counselor and each student's parent or guardian, to the HCCC Office of Early College Programs. Participating students shall comply with and be subject to all HCCC policies applicable to HCCC students.
4. HCCC does not guarantee that any credits earned will be transferable to another institution. Whether or not to accept those credits is determined by the policies and procedures of the accepting institution.
5. HCCC and BBOE are authorized to exchange pertinent student information. Such information shall be considered confidential and shall not be disclosed except to the extent required by law or for a party to fulfill its obligations under this Agreement. HCCC will forward final grades for participating students to the high school administration upon completion of the semester and payment of all fees and tuition required by this agreement.
