****Health Science Majors – Must see the Dean****
 Health, Science & Technology Dept.
 870 Bergen Ave, 3rd Fl.
 Jersey City, NJ 07306

As a student, I understand that changes to my major may extend my original expected time of completion and may impact my ability to obtain financial aid for this or subsequent terms. I understand it would serve my interest to speak with a program director and/or other College administrators prior to making this academic transition.
