Hudson County Rental Assistance Program Survey

The County of Hudson is creating a rental assistance program to assist those who have fallen behind on their rent as a result of COVID-19. As we develop the program we want to hear directly from renters on the challenges they are facing. Please help us spread the word by sharing this brief survey to help us understand the needs. Please note we will be collecting contact information which will only be used to notify respondents when the rental assistance application is available.

Please click [HERE](#) to complete the survey.

You may also visit <https://cares.hcnj.us/> for information on the current eviction

moratorium, tenant resources and information on the rental assistance program when it is available.
