CONTINUING EDUCATION
SPRING/SUMMER 2019

The Continuing Education Department at Hudson County Community College offers an entire spectrum of professional development and personal enrichment programs.

By learning new computer skills, becoming certified in their fields, or attending business workshops, our students have secured new employment, achieved career changes, and brought new skills and knowledge to their workplaces.

Students have pursued their passions or explored new pastimes by discovering the art of watercolor, learning how to make sushi, expressing their thoughts in poetry, and becoming self-published.

The offerings in this brochure are just a sampling of our Spring/Summer 2019 programs.
