Lab Technicians for Chemistry and Biology (2 positions)

Hudson County Community College is an award-winning, comprehensive urban college located just across the Hudson River from Manhattan in Jersey City and Union City, NJ. Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists in the U.S. for the American Association of Community Colleges’ (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association’s New Good Neighbor Awards in 2009 for the Culinary Conference Center and in 2012 for the North Hudson Higher Education Center.

The College is currently searching for full-time Lab Technicians (2 positions) for biology and chemistry laboratories within the College’s STEM Division. Under the general supervision of the Associate Dean of the Science, Technology, Engineering and Mathematics Division, the Biology/Chemistry Lab Technician is responsible for laboratory setup and maintenance; maintenance, inventory, and purchasing of lab supplies and equipment; and providing technical assistance and support to students and faculty regarding operational problems with laboratories. This is a full-time, 12-month position.

Associate degree in Biology, Chemistry or a closely related field, from a regionally accredited institution of higher education, as well as a minimum of one year of related work experience, preferably at the college level, is required. A Bachelor’s degree is preferred. The successful candidate will demonstrate an understanding of the mission of an urban community college and have experience working with a culturally diverse community, project a positive, professional self-image, and have strong interpersonal and communication skills.
