Dates: Mon. - Thurs., July 11 – July 14
Location: Jersey City Campus

New! VIDEO GAME ANIMATION
Dive into making sprites move around and animate in a video game!
Take your game design to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character’s personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in future games. Students do not need any prior experience in game design, animation, or sketching. Student-created animations will be available on a password protected Black Rocket website to share with friends and family.

Tuition: $199
Course: CEYTH- VGA
Times: 1 p.m. - 4 p.m.
Dates: Mon. - Thurs., July 18 – July 21
Location: Jersey City Campus

New! APP ATTACK
Dive into making your own apps, just like the ones you’d see on the App Store!
Using a specialized app and game development tool, students will explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, you will also see firsthand how the world of app publishing functions. Student-created apps will be accessible on a private site and can be played on any mobile device or computer. No prior experience is necessary and students do not need to own a smartphone or tablet to take the class.

Tuition: $199
