About the Center for Business & Industry (CBI)

The Center for Business and Industry is dedicated to providing the Hudson County community with the skilled and educated workforce that will allow the area to prosper in today’s global economy. We are committed to partnering with business and industry, and government and community-based organizations, and to producing and delivering high-quality, cost-effective, and customized training.

The CBI Team will...
- Assess the training needs of your employees, and develop a detailed plan.
- Match your training needs with instructors who are experienced in adult learning principles.
- Schedule your classes when it is convenient for you and your employees – seven days a week, hours to be determined by work schedules.
- Conduct classes where it is most convenient for you- at your site, or off-site at HCCC.
- Conduct pre/post-training assessments.

Our programs include:
- Basic and Advanced Workplace Training: Computer Applications (Windows, Outlook, Excel, Word, PowerPoint), Communications (Verbal, Writing, Customer Service), English as a Second Language (ESL), Basic Math/Measurements.
- Project management: Basic and Advanced
- Management: Introduction to Management, Leadership Skills
- Culinary Arts and Hospitality
- Business Languages: Arabic and Spanish for the Workplace
- Human Resources: Diversity in the Workplace, Team Building, Supervision Skills

Free Training for your Employees
Through the NJ Business & Industry Association’s Workplace Skills Training Program, you and your employees may qualify for free training in:
- Computer Applications (Windows, Outlook, Excel, Word, PowerPoint)
- Communications (Verbal, Writing, Customer Service)
- Basic Math/Measurements
- English as a Second Language and Workplace Spanish

For more information or to schedule training, please contact Catherine Mirasol at cmirasol@hccc.edu or (201) 360-4247.

**About Hudson County Community College and NJHPC**

Hudson County Community College is an award-winning, comprehensive urban college located just across the Hudson River from Manhattan in Jersey City and Union City, NJ. Fully accredited by Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists in the U.S. for the American Association of Community Colleges' (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association’s New Good Neighbor Awards in 2009 for the Culinary Arts Conference Center and in 2012 for the North Hudson Higher Education Center.

The New Jersey Health Professions Consortium is a region-wide initiative to strengthen and expand health care industry occupational training, leading to certification and employment.

Health Careers
Health care is the fastest growing sector for employment in NJ. If you are interested in getting started in this growing field, join us for our Open House on January 20, 2016 at 10 a.m. Grant funding is available for qualified students.

In this section:
- Pharmacy Technician
- Certified Clinical Medical Assistant
- Electronic Health Records
- Certified Nurse Aide Program
- Certified Home Health Aid
- Online Training Programs

Pharmacy Technician
This comprehensive program will prepare students to work as a pharmacy technician in a retail pharmacy or other pharmacy setting, and to take the Pharmacy Technician Certification Board’s PTCB exam. Course content includes pharmacy medical terminology, the history of pharmacy, the pharmacy practice in multiple environments, pharmacy calculations and measurements, reading and interpreting prescriptions, and defining drugs by generic and brand names. Through classroom lecture and hands on labs, students will review dosage calculations, drug classifications, the “top 200 drugs”, I.V. flow rates, sterile compounding, dose conversions, aseptic technique, the handling of sterile products, total parenteral nutrition (TPN), dispensing of prescriptions, inventory control, and billing and reimbursement.

Note: This program includes an 80 hour externship and national certification opportunities for students.

Electronic Health Record Management

This Electronic Health Record (EHR) Management Program prepares students to understand and use electronic records in a medical practice. Access to health information is changing the ways doctors care for their patients. Doctors now have access to a patient’s medical history, surgeries, medicine allergies, and recent doctor’s visits all at the press of a button. This recent technology that intertwines health information from a variety of sources is known as an electronic health record. An electronic health record (EHR) includes computerized lifelong healthcare data from a variety of sources where every encounter an individual has with the healthcare system is documented and compiled for quick access. Electronic health record professionals are educated in the implementation and management of electronic health information using common electronic data interchange systems such as HL7, CDISC, and DICOM. Students will learn through classroom and computer lab training the necessary components consistent with maintaining the medical, legal, accreditation, and regulatory requirements of the electronic health record and database. This program meets the necessary requirements of a leading national certification examination.

Course: CECAR 117-1  
Tuition: $1,999  
Time: 6:00 p.m. - 9:30 p.m.  
Day/Dates: Tue. and Thu., Feb. 2- May 3  
Location: Journal Square, Room TBA

Certified Nurse Aide Program (CNA)

Prerequisite: Medical clearance and criminal background check with fingerprints are required, and a high school diploma.

Enjoy a rewarding career caring for people! It is anticipated that employment for Certified Nurse Aides will grow faster than average through 2015. Certified Nurse Aides work under the supervision of a registered nurse or medical doctor to provide patients with basic care and services, such as a personal hygiene, grooming, vital signs, and bed making. Certified Nurse Aides can be employed in hospitals, nursing homes, assisted living, private long-term care, mental health facilities, and other settings.

Our ninety-hour training program is approved by the New Jersey Department of Health & Senior Services (NJDHSS) and will prepare you to work in long-term care as a Certified Nurse Aide. You will spend fifty (50) hours in the classroom and forty (40) hours in a long-term care facility working with elder residents. At the completion of the program, you will be eligible to take the skills evaluation and written test to obtain your Certified Nurse Aide license from the State of New Jersey.

The CNA program is an evening program with classes/clinical time between 5:00 p.m. & 10:30 p.m. Study activities take place on Tuesdays, Wednesdays and Thursdays. This course is 90 hours in length and will meet for 22 sessions.

Course: CECNA 100-1  
Tuition: $1,060  
Time: 5:00 p.m. - 10:30 p.m.  
Day/Date: Tue., Wed., and Thur., Dates TBA  
Location: Journal Square, Room TBA

Students must attend an Information Session and complete an application. No reservations are necessary for Information Sessions.

Contact: Nursing Department at 201-360-4267
Certified Home Health Aide (CHHA)

Prerequisites:
- 18 years old; high school graduate or equivalent
- U.S. citizen or alien resident with work authorization
- No criminal history
- Has not defaulted on education loans or child support payments

Certified Home Health Aides (CHHAs) are health workers who deliver personal care to clients with disabilities or other needs requiring assistance, typically directly in their homes or in an assisted living environment. While the elderly are the most common consumers for these services, CHHAs may work with younger individuals as well.

Tasks of a CHHA may include (but are not limited to) bathing, dressing, preparing meals, providing transportation, and monitoring the client’s health and wellbeing (pulse, temperature, weight). In some cases, an aide also helps administer medication and treatment. Individuals may require aides during a variety of shifts, so flexibility and long hours are often a requirement for this position, as is the ability to cope with the physical demands of caregiving.

Certification as a home health aide training consists of 76 hours of skills training and is completed in eight weeks.

Contact: Nursing Department at 201-360-4267

New Pathways to Teaching in New Jersey

Prepare to become a licensed teacher in the state of New Jersey. As an Alternate Route teacher, you will be a viable candidate for employment in districts throughout New Jersey.

Hudson County Community College is pleased to participate in this unique statewide program, a collaboration with New Jersey City University. The program is divided into two distinct instructional stages. You must secure a Certificate of Eligibility prior to taking Stage I. Anyone applying for a Certificate of Eligibility must complete the “Introduction to Teaching Program” course.

Students in New Pathways may register for the program as either a Master’s-level graduate student (earning 15 Graduate credits) or as Certificate students (non-credit). Graduate credits may be applied towards a Master’s degree in Education at New Jersey City University.

For additional information, please visit:
New Pathways to Teaching in NJ www.hccc.edu/newpathways
For information on teacher licensure in New Jersey, go to www.state.nj.us

Introduction to Teaching
The required 24-hour Pre-Service Program

Prerequisite: Bachelor’s degree
This non-credit course is required for all who will apply for a Certificate of Eligibility (CE). Completion of this course is just one of the CE requirements and does not guarantee that the applicant qualifies for a CE. 24 hours (20 hours of instruction & 4 hours of observation).

Course: CENPT 100-1
Tuition: $239
Time: 9:00 a.m. - 2:00 p.m.
Day/Dates: Saturdays, Jan. 23 - Feb. 13
Location: Journal Square, Room TBA

*Hybrid

Course: CENPT 100-2
Tuition: $239
Time: 6:00 p.m. - 9:30 p.m.
Day/Dates: Wednesdays, Mar. 9 - Apr. 12
Location: Journal Square, Room TBA

*Hybrid classes are six weeks in duration. Students meet twice; on the first day and on the second to last class, the rest of the class is online.
New Pathways Information Session

Prerequisite: None
Length: 1.5 hours (1 session)
Contact: Community Education- (201) 360-4224/4246/4255

Saturday, January 23, 10:30 a.m.
or
Wednesday, March 9, 6:00 p.m.

New Pathways Stage 1

Prerequisites: Bachelor’s degree and Certificate of Eligibility; 2.75 GPA
Length: 13 weeks (60 hours)

This stage includes 45 hours of pre-employment instruction with a 15-hour guided observation experience.

Language Arts/ Literacy (45 Hour Course)

Students will examine and apply best practices that shape elementary and middle school literacy development and instruction. Planning curriculum, designing physical environments, and organizing and evaluating instruction will be addressed using methods and materials based on educational research and theory. Designed for new teachers, the course will provide classroom support and networking and practical application of classroom issues in literacy. Areas such as balanced literacy, assessment, phonemic awareness, phonics instruction, comprehension, vocabulary, and fluency will be addressed.

The History Lessons You Didn’t Learn in School

Bet you didn’t know that in the seventeenth century there was a Spanish king who was so inbred that he was not able to chew or close his mouth... or that in the 1920s, a Russian scientist attempted to impregnate a human woman with the cells of an ape in order to create a “humanzee?” History is far more fascinating than what you remember from school! Join your fellow amateur historians in this titillating look at the dark side of history. Different topics will be offered each term including: Real Games of Thrones- War, Torture, and Sex in Medieval Europe, Royal Inbreeding and Intrigue, Real Life Vampires, Zombies, and Other Tales of the Living Dead, Perverse Science, A History of R-Rated Art, History’s Deadliest Love Affairs, Crazy Historical Theories, and A History of Intoxication. Participants must be at least 18.*

Introduction to Photography
Prerequisite: None

Discover how easy it is to create captivating photographic images using any camera and basic digital tools. You’ll learn about basic concepts such as composition, lights and darks, and movement within a still image by exploring historic examples. Then, you’ll find out how to edit your photos in digital form, and alter and enhance their appearance using digital editing tools such as Photoshop. Students should bring a camera to each class.

**Días:** Martes, Feb. 9 – Mar. 29  
**Localidad:** NHC, Cuarto TBA
Best of Downtown Jersey City Food Tour

Also known to locals as the sixth borough (as much New Yorkers want to deny it!) or “chilltown,” Jersey City’s downtown area has changed dramatically in the last few years, giving way to a culinary renaissance. Just a quick PATH ride from NYC, the Grove Street stop leaves you at the heart of downtown, where we’ll sample some of the best pizza, tacos, ice cream, burgers, pasta, and fries (seriously, come hungry!) the state has to offer. Whether this is your first visit or you’re a longtime local, chances are there are some restaurants still on your wishlist.

Between plentiful food tastings, your local and knowledgeable tour guide will provide you with history of the area and an insider look into how select items are made at these popular eateries. Join us on a Saturday afternoon walking food tour and skip waiting in line to sample the best food this side of the Hudson, and meet the owners and chefs who make it happen.

Includes: All food, optional beverage pairings at select restaurants and narrated tour

Introduction to Microsoft Office
Prerequisite: Introduction to Computers and the Internet or equivalent computer experience. Introduction to Microsoft Office is an overview of the successful productivity software used in almost every business, school, and home. Learn the highlights of Microsoft Word and Excel, and become acquainted with PowerPoint and Access. Upon completion of the course, you are encouraged to enroll in more advanced Office coursework offered through the Office of Community Education.

Note: This course does not prepare students for Microsoft Office Specialist certification.

Course: CEOFF 101-1
Tuition: $179
Times: 6:00 p.m. - 8:15 p.m.
Day/Date: Mon. and Wed., Jun. 8- Jun. 29
Location: Journal Square, Room L519
Microsoft Office® Specialist Certification in Word, Excel, Access, PowerPoint, and/or SharePoint*

Prerequisite: Basic skills in Microsoft software. Microsoft Office® Specialist 2013 certification is an industry recognized credential, and we now offer certification preparation for Word, Excel, Access, PowerPoint, and SharePoint.* Our thirty six hour courses in each subject area begin with a review of basic skills and proceed through to more advanced applications. Upon completion of each course, students will sit for the certification exam in that subject area at Hudson County Community College, and will receive Microsoft Office® Specialist Certification if they successfully pass the test.

Note: Students must pass certification exam in order to receive certification
*Some classes are not available every term

Tuition: $389 (for each individual course) includes tuition, textbook, testing fee, and one exam retake.

Create Your Own Website for Your Business, Interests, or Family!

Prerequisite: Computer proficiency

Did you know that there are FREE tools available to create a stunning website to attract customers or share your interests with the world? In this four hour workshop, you will learn how anyone with basic computer skills can make a website. You will examine the different design tools available and discover what makes an effective web presence. Domain name purchasing will also be explored.

Course: CECOM 105-1
Tuition: $59
Times: 9:00 a.m. - 1:00 p.m.
Day/Date: Saturday, February 6
Location: Journal Square, Room J302
Become a Computer Repair Technician

Prerequisite: Computer proficiency

Is there a computer sitting under your bed that has been rendered useless by viruses or hardware malfunctions? Someone can fix it... and that someone can be you! Computer repair technicians can work as self-employed business owners or for private companies. Start class by building your own PC from component parts you supply, and then learn to disassemble it in order to identify and repair faulty hardware, locate computer viruses, and find out how they can be cleared from a user’s computer. You will also learn the fundamentals of starting your own repair business.

Course: CECOM 110-1
Tuition: $299
Times: 9:00 a.m. - 1:00 p.m.
Day/Date: Sundays, February 28 - April 17
Note: No class March 27
Location: Journal Square, Room J302

Required Materials: Students must purchase the component parts for a PC prior to the second class. These parts will cost approximately $200-$300, and will be discussed on the first day of class.

Adobe® Certified Associate Programs

Prerequisite: Proficient computer skills; students must know how to skillfully navigate the internet.

Hudson County Community College is pleased to offer Adobe® Certified Associate certification preparation in Photoshop, Dreamweaver, Illustrator, and InDesign!* Our preparation programs are designed to accommodate those with a basic knowledge of their program of interest. Each individual course prepares students to sit for the Adobe® exam in their subject area. The exams can be completed on campus within a year of completion of the course.

Note: Students must pass certification exam in order to receive certification
*Some classes are not available every term

Tuition: $499 (for each individual course) includes tuition, textbook, certification exam, and one exam retake.

Instant Italian
Conversational Japanese
English As A Second Language (ESL)

Designed to teach students Conversational English and to develop cultural skills to successfully live and work in the United States. Learn to speak, read, and write the English language in a relaxed and supportive environment. Classes are offered during the day, evening and weekend in both the Journal Square and North Hudson Campus. All levels run 48 hours. A placement test is required.

• Morning, Evening, and weekend schedules
• Courses cover listening, speaking, reading, and writing
• Free access to the HCCC Library and Writing Center
• Highly experienced and well-trained instructors
• Multiple locations
• Six language levels- Beginner through Advanced

Prerequisite: The placement test is the pre-requisite requirement for all participants before registering for the first time in this new program. Once students are placed, they will progress through the levels after a passing grade is achieved. The one-time fee for placement testing is: $10

Level 1 (Beginner)

Prerequisite: Placement test
For the true beginner to start learning to read, write, and pronounce letters, numbers, and common sight words. Listen and respond to basic greetings and simple phrases. Learn basics like how to write your name, address, and phone number. Students will fill out simple forms and will identify family members, foods, colors, traffic signs, directions, and parts of the body. Begin to lean to tell time and count American money. Students learn how to read a map, examine a bus schedule, and read and write basic paragraphs. Students will get an introduction to American culture.
COMMUNITY EDUCATION COURSES

Level 2 (Low Beginner)
Prerequisite: Placement test or passing grade in Beginner

Continue to listen, speak, read, and write in English. Review the alphabet and cardinal numbers through 100. Learn common greetings, how to introduce people, listen and describe family members, jobs, and workplaces. Learn Basic English in order to be able to complete an emergency contact form and know how to make a doctor’s appointment. Learn how to order food in a restaurant and how to talk about the weather through listening, reading, and writing exercises. Learn to write a check. Students will make simple graphs and interpret a calendar. Students will learn how to tell time, count hours worked, and calculate weekly earnings. Learn about American culture.

Level 3 (High Beginner)
Prerequisite: Placement test or passing grade in Low Beginner

Students will continue to listen, speak, read and write in English with more in-depth grammar usage including regular and irregular verbs. Students will learn more vocabulary in order to describe events, medical symptoms, job duties, fields of employment, and driving directions. Students will continue with more listening, speaking, and writing exercises. Students will learn more about current events and American culture. Students will converse about common scenarios with teachers and supervisors, how to read nutrition labels, and understand payroll deductions. Students will practice with number skills including weights and measurements, percentages, calculating tips, sales tax, calculating the cost of rent and utilities, and medicine dosages. Students will learn basics of internet and computer skills.

Level 4 (Low Intermediate)
Prerequisite: Placement test or passing grade in High Beginner

Continue to improve grammar, vocabulary, speaking, reading, and writing skills. Continue use of internet and social media tools to improve communication. Improve numeracy and financial literacy by reading and speaking about credit cards, bank accounts, and checking account statements. Continue to read, speak, and write about American civics and cultural knowledge. Enjoy discussion about various careers and write about your goals for your own educational or career pursuits. Learn to give and follow travel directions, and practice job interview skills. Continue to practice speaking in conversation and writing more advanced paragraphs. Discuss and identify the next step whether classes at Community Education, Citizenship classes, GED class, Certificate programs, and/or how to pursue a college degree.

Level 5 (High Intermediate)
Prerequisite: Placement test or passing grade in Low Intermediate.

Continue to advance grammar, vocabulary, speaking, reading, writing skills, and use of the internet and social media. Learn how to fill out and file an accident report. Learn how to fill out and interpret an income tax form, report card, health insurance form, lease application, and much more. Identify tenant responsibilities and landlord responsibilities. Practice listening and speaking problems and solutions. Through individual and group activities you can show what you know. Continue to identify your next course of action such as: High School Equivalency test prep classes, Citizenship classes, and Certificate programs or pursue a College Degree.

Level 6 (Advanced)
Prerequisite: Placement test or passing grade in High Intermediate.

Continue to improve grammar, vocabulary, speaking, reading, and writing skills. Continue use of internet and social media tools to improve communication. Improve numeracy and financial literacy by reading and speaking about credit cards, bank accounts, and checking account statements. Continue to read, speak, and write about American civics and cultural knowledge.

Conversational English

Are you ready to practice what you have learned!? Come and speak with other students who are also learning the English language and apply what you have learned. Work on development of word and sentence level literacy, pronunciation, and basic conversation skills. This is additional practice for those taking the Non-Credit ESL.

## ESL: English Pronunciation Perfect

Designed for individuals who would like to develop their pronunciation skills and overcome pronunciation problems in speaking the English Language. You should have a basic understanding of written English to be able to read academic literary works to learn to correct stress, rhythm, and intonation, as well as refine your speech in the areas of vowel, consonant, past tense, and plural sounds. You will be required to complete homework through the use of an accompanying CD.

## Citizenship

During the last decade the United States Citizenship and Immigration Services (USCIS) has welcomed more than 6.6 million naturalized citizens into our great nation. Study the elements of immigration policy, social science, history, U.S. Law, political theory, and ethics and join the melting pot. This course will prepare you to take each sections of the U.S. Citizenship Test. Hudson County Community College does not administer the Citizenship Test.

COMMUNITY EDUCATION COURSES

TEST PREP

High School Equivalency Test Prep

Community Education offers this High School Equivalency Test Prep class to support your efforts as you prepare to get your high school diploma. Practice and review all sections of the exam including Math, Language Arts, Science, and Social Studies and learn tips for successful test taking. It is recommended that you place in the equivalent of tenth or eleventh grade on the required placement test to get the most from this class. For those that would like extra practice, Community Education offers Adult Basic Skills in Math and Language Arts.

Prerequisite: Placement Test fee of $10

Adult Basic Education (ABE)

Adult Basic Education (ABE) classes are for students who are proficient in the English language but wish to improve their reading, writing, and math skills. ABE classes can help prepare students to enroll in our High School Equivalency preparation course and build a foundation towards gainful employment or further education.

Prerequisite: Placement test required with a fee of $10.
COMMUNITY EDUCATION COURSES

**ABE: Reading and Language Arts**
Improve your reading and writing and learn the important skills necessary for decoding and recognizing all of the letters of the alphabet and everyday words and word groups in short, simple texts. Practice writing and organizing sentences, grammar, spelling, and punctuation.

**ABE: Math Fundamentals**
Refresh and improve your working knowledge of important High School math skills.

**TOEFL**
The TOEFL preparation course is designed for any non-US student wanting to study at a North American university. The TOEFL exam has been increasingly required for job qualification. This course will help to prepare students to achieve a high score on the TOEFL by focusing on test taking skills, and will emphasize the English skills needed to successfully pass the exam. This course includes a high emphasis on reading, writing, listening, and speaking. Students will also be exposed to simulated practice TOEFL tests.

The NLN PAX RN Admission Exam evaluates the academic ability of nursing majors so as to identify the most qualified candidates among those interested in taking clinical courses at area schools of nursing. The course assists students in preparing for the exam by mastering the subject matter covered in the math and science portions. Students will also learn test-taking strategies that will help achieve a high composite score. This course is 24 hours in length.

SAT Exam Preparation

Develop your test taking skills and improve your SAT scores with these seven-week, intensive SAT Math and Language Arts test preparation classes. Pre and post tests will be used to measure progress. Test taking skills will be explored, along with test samples from actual SAT exams.

Note: Students will need to purchase the College Board SAT textbook redesigned book for 2016 SAT exam, College Board The Official SAT Study Guide ISBN# 978-1-4573-0430-9. Other materials may also be required. A list of items will be included at the time of registration.

Off-Site  To serve the needs of Hudson county residents, the Office of Evening, Weekend, and Off-Site Programs (EWOS) at Hudson County Community College (HCCC) has established conveniently located satellite academic centers throughout the county. Off-Site classes provide access to required college courses on weekends and evenings on campus, in convenient off-campus locations, and in community high schools (Kearny High School, Bayonne High School, and others). Courses at the high schools are open to HCCC full and part-time students, as well as high school students, and vary from semester to semester, but normally each center offers a variety of general education and degree program courses.

**SPRING 2016 TERM - Bayonne High School (BHS)**

**Last day to Add/Drop Tuesday, February 9, 2016**
**Location: 70 Sip Avenue, Jersey City, NJ 07306**

**ALL CLASSES ARE FROM TUESDAY, FEBRUARY 2 TO MONDAY, MAY 16**
**REGISTER TODAY!**

EVENING, WEEKEND, AND OFF-SITE PROGRAMS

Weekend College
In addition to expanding the Off-Site locations, the EWOS, in collaboration with other academic departments, is planning to launch a Business Administration Weekend degree starting in Spring 2016. This degree will be an accelerated and flexible program for working and non-working students that will be able to complete the program in four or fewer semesters. The classes will be a combination of traditional, online, and hybrid classes offered on Fridays, Saturdays, and Sundays. The program will provide business knowledge and skills as the foundation for more specialized and/or advanced study. Further, graduates of this degree will be qualified for entry-level administrative and management positions. Finally, degree recipients of the program will be able to be exposed to real life experiences through internships, research projects, or capstone classes.

Spring 2016

Friday PM
ENG-101: College Composition I*

Saturday AM
ENG-112: Speech*

Saturday PM
MAN-121: Principles of Management*

Sunday AM
BUS-101: Introduction to Business-Hybrid
CSS-100: College Success-Online**
CSC-100: Intro to Computers & Computing-Online**

*Learning Communities Classes  **Online: 15 weeks

For more information regarding the Office of Evening, Weekend, and Off-Site Programs, please contact EWOSP@hccc.edu or (201) 360-4244.
Project LEAP at Hudson County Community College

Project LEAP permits high school students at partnered high schools to enroll in college level classes. Enrollment and registration is easy, and your school guidance counselor can help you through the process.

Partnered High Schools:
County Prep High School
Harrison High School
High Tech High School
Jersey City Public High Schools
Kearny High School
Marist High School
Memorial High School
METS Charter School
Miftaahul Uloom Academy
North Bergen High School
Rising Star Academy
Union City High School

How to Apply
• Inform your guidance counselor and parent/guardian
• Complete LEAP application online at mystart.hccc.edu
• Obtain signatures on the LEAP Student Agreement Form
• Submit completed form to your guidance counselor or the LEAP office.

IF YOU HAVE QUESTIONS, CONTACT US!
Project LEAP – Dual Enrollment Program
25 Journal Square, 4th Floor (Room 415), Jersey City, NJ 07306
(201) 360-5330 FAX (201) 360-5333 Email: LEAP@hccc.edu
REGISTRATION FORM

Registration: Three easy ways to register:

1. Online: Go to www.hccc.edu/communityeducation and click on "Register for Classes". Follow instructions to register and pay with credit or debit card.

2. In-person: Come to our office located at 25 Journal Square, Room B107, Jersey City, NJ 07306

3. Mail: Complete and mail a Registration Form and your check or money order payable to Hudson County Community College to Hudson County Community College: Community Education, 25 Journal Square, Room B107, Jersey City, NJ 07306.

Have you ever taken classes at HCCC before?  □ Yes  □ No

Payment: Payment is due in full at the time of registration.
Please review the refund and cancellation policy found on the back of this form.

I acknowledge that I have read and understand the Cancellation and Refund policies as presented on the back of this form.

Signature ______________________________________ Date __________________
Please read below and sign on the front to acknowledge you have read the policies.

Schedule Changes: The College reserves the right to cancel, combine, reschedule, change the time, date, or place of courses; to make other revisions as necessary; and to do so without incurring obligation.

Senior Discounts: Senior Citizens aged 65 years or older who present a valid ID may receive a 10% discount on select courses. Registration must be in person the first time using this service. Discount does not apply to Culinary Arts, New Pathways to Teaching in NJ, or other certification programs.

Cancellation and Refund Policies
When the College cancels a course, a full refund is issued.

Non-attendance to a class or program does not constitute a withdrawal, nor entitle the participant to a refund.

1. Regular Refund Policy, for programs scheduled to convene one and six classes, excluding Culinary classes:

When a student cancels or withdraws from a class a 100% tuition refund, less a $15.00 processing fee per course, will be issued when a signed Refund Request Form is received by the Community Education office two days prior to the first class. A 50% tuition refund, less a $15.00 processing fee per course, will be issued when a refund request is submitted one day prior the first class, and up through the second class. After the second class, no refund will be issued.

2. Extended Refund Policy, for programs scheduled to convene for eight (8) or more meetings:

When a student cancels or withdraws from a class a 100% tuition refund, less $15 processing fee per course will be issued when a signed Refund Request Form is received by the Community Education office prior to the second class meeting. A 50% tuition refund, less a $15.00 processing fee per course, will be issued when a Refund Request Form is submitted prior to the third class. After the third class, no refunds will be issued.

3. Culinary Refund Policy: No refund will be given if student withdraws less than two days prior to the beginning of the class. You may, however, send someone in your place.
Directions to the Journal Square (Main) Campus:

By car to Journal Square
New Jersey Turnpike to Exit 15 E. At toll booths, bear right on to ramp and follow sign which says “Truck Route 1& 9 North, Jersey City”. Proceed over two bridges toward the intersection of Route 440. Bear left past the second bridge, take 1&9 North, proceed to second right onto Sip Avenue. Continue on Sip Avenue up the hill to the Journal Square section of Jersey City. The administrative building is located between Bergen & Summit Avenues.

By PATH to Journal Square
Take PATH train to Journal Square Transportation Center. Historic Pathside (25 Journal Square) adjoins the PATH Transportation Center.

By bus to Journal Square from North Hudson
NJT 82 Union City to Jersey City
NJT 83 Hackensack to Jersey City
