Tues.-Thurs., 9AM-11:30AM, Oct. 4-Nov. 30, Room F208  
Note: No class Nov. 23 and 24.

EKG technicians are in high demand in today's healthcare market. By administering an EKG (electrocardiogram) you will have an impact on the lives and health of people with suspected heart conditions. Working alongside a cardiologist, surgeon, or general practitioner, an EKG technician is responsible for correctly placing the leads to ensure an accurate test during exams and prior to surgery. In this course, students will be instructed in EKG skills as well as medical terminology and basic office procedures.  
60 hours
CERTIFIED NURSE AIDE PROGRAM (CNA)

CECNA-100-1/$1060/JC
Dates: TBA

Prerequisite: Medical clearance and criminal background check with fingerprints are required, and a high school diploma.

Enjoy a rewarding career caring for people! It is anticipated that employment for Certified Nurse Aides will grow faster than average through 2016. Certified Nurse Aides work under the supervision of a registered nurse or medical doctor to provide patients with basic care and services, such as personal hygiene, grooming, vital signs, and bed making. Certified Nurse Aides can be employed in hospitals, nursing homes, assisted living facilities, private long-term care, mental health facilities, and other settings. Our 90-hour training program is approved by the New Jersey Department of Health & Senior Services (NJDHSS) and will prepare you to work in long-term care as a Certified Nurse Aide. You will spend fifty (50) hours in the classroom and forty (40) hours in a long-term care facility working with elder residents. At the completion of the program, you will be eligible to take the skills evaluation and written test to obtain your Certified Nurse Aide license from the State of New Jersey. The CNA program is an evening program with classes/clinical time between 5:00 p.m. and 10:30 p.m. Study activities take place on Tuesdays, Wednesdays and Thursdays. This course is 90 hours in length.

NEW PATHWAYS TO TEACHING IN NJ

Become a certified teacher!
Prepare to become a licensed teacher in the state of New Jersey. As an Alternate Route teacher, you will be a viable candidate for employment in districts throughout New Jersey. Hudson County Community College is pleased to participate in this unique statewide program, a collaboration with New Jersey City University. The program is divided into two distinct instructional stages. You must secure a Certificate of Eligibility prior to taking Stage I. Anyone applying for a Certificate of Eligibility must complete the “Introduction to Teaching Program” course. Students in New Pathways may register for the program as either a Master's-level graduate student (earning 15 Graduate credits) or as Certificate students (non-credit). Graduate credits may be applied towards a Master’s degree in Education at New Jersey City University. For additional information, please visit: New Pathways to Teaching in NJ www.hccc.edu/newpathways. For information on teacher licensure in New Jersey, go to www.state.nj.us

OFF-SITE

To serve the needs of Hudson county residents, the Office of Evening, Weekend and Off-Site Programs (EWOS) at Hudson County Community College (HCCC) has established conveniently located satellite academic centers throughout the county. Off-Site classes provide access to college and continuing education courses on weekends and evenings on campus, in convenient off-campus locations, and in community high schools (Kearny High School, Bayonne High School, Union City High School, and others). College credit courses at the high schools are open to HCCC full and part-time students, as well as high school students, and vary from semester to semester, but normally each center offers a variety of general education and degree program courses.

Fall 2016 College Credit Courses
Last Day to Add/Drop: September 20
Location: 70 Sip Avenue, Jersey City
Classes are from September 13 to December 19

In addition to expanding the Off-Site locations, the EWOS, in collaboration with other academic departments, is planning to launch a Business Administration Weekend degree starting in Fall 2016. This degree will be an accelerated and flexible program for working and non-working students that will be able to complete the program in four or fewer semesters. The classes will be a combination of traditional, online, and hybrid classes offered on Fridays, Saturdays, and Sundays. The program will provide business knowledge and skills as the foundation for more specialized and/or advanced study. Further, graduates of this degree will be qualified for entry-level administrative and management positions. Finally, degree recipients of the program will be able to be exposed to real life experiences through internships, research projects, or capstone classes.

For more information regarding the Office of Evening, Weekend and Off-Site Programs, please contact Mayelin Torres at EWOSP@hccc.edu or (201) 360-4244.
Hudson County Community College and Fairleigh Dickinson University announce an expansion of their long-term successful partnership.

Hudson County Community College graduates will now be able to pursue the Bachelor of Arts in Individualized Studies (BAIS) through FDU’s Petrocelli College with specializations in Public Service Administration, Sports Administration, Communications, Political Science/Pre-Law, English, Homeland Security, Health and Human Services, and Leadership and Administration. Courses towards the bachelor’s degree will be available at HCCC as well as online, or even at one of several FDU instructional sites around the state.

The Fall 2016 term starts on September 26th and registration is available through Roger W. Kane at Petrocelli College’s office of Transfer Evaluation: rwkane@fdu.edu or (201) 692-2027. All HCCC graduates are eligible for a 50% reduced non-standard rate of tuition at FDU (some modest fees will apply). For the September term, two courses that are required in most of the specializations will be offered at the HCCC campus: Global Issues (CORE 3004) and Seminar on Leadership (PADM 4400).
About the Center for Business & Industry (CBI)

The Center for Business and Industry is dedicated to providing the Hudson County community with the skilled and educated workforce that will allow the area to prosper in today’s global economy. We are committed to partnering with business and industry, and government and community-based organizations, and to producing and delivering customized high-quality, cost-effective training.

The CBI Team will...

• Assess the training needs of your employees, and develop a detailed plan.

• Match your training needs with instructors who are experienced in adult learning principles.

• Schedule your classes when it is convenient for you and your employees – seven days a week, hours to be determined by work schedules.

• Conduct classes where it is most convenient for you at your site, or off-site at HCCC.

• Conduct pre/post-training assessments.

Our programs include:

• Computer Applications (Windows, Outlook, Excel, Word, PowerPoint), Communications (Verbal, Writing, Customer Service), English as a Second Language (ESL), Basic Math/Measurements.

• Project Management: Basic and Advanced

• Management: Introduction to Management, Leadership Skills

• Culinary Arts and Hospitality

• Business Languages: Arabic and Spanish for the Workplace

• Human Resources: Diversity in the Workplace, Team Building, Supervision Skills.

About Hudson County Community College and NJHPC

Hudson County Community College is an award-winning, comprehensive urban college located just across the Hudson River from Manhattan in Jersey City and Union City, NJ. Fully accredited by Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists in the U.S. for the American Association of Community Colleges’ (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association’s New Good Neighbor Awards in 2009 for the Culinary Arts Conference Center and in 2012 for the North Hudson Higher Education Center.

The New Jersey Health Professions Consortium is a region-wide initiative to strengthen and expand health care industry occupational training, leading to certification and employment.
GRANT-FUNDED TRAINING FOR YOUR EMPLOYEES

If you have a New Jersey-based business, training for you and your employees can be covered through a grant from the New Jersey Department of Labor Workforce Development.

Topics include:
- Computer Applications (Windows, Outlook, Excel, Word, PowerPoint)
- Communications (Verbal, Writing, Customer Service)
- Basic Math/ Measurements
- English as a Second Language and Workplace Spanish

For more information or to schedule training, please contact Aycha Edwards at aedwards@hccc.edu or (201) 360-5329.
