# COLLEGE COMMUNITY STANDARDS

## STATEMENT OF RIGHTS AND RESPONSIBILITIES

Hudson County Community College is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. The College is committed to preserving the exercise of any right guaranteed to the individuals by the constitution. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the College or with the rights of other members of the College cannot be tolerated.

Within the framework of this commitment, the College grants certain rights to and requires certain responsibilities from each student in the educational community. The statement of rights and responsibilities insures that all students may pursue their educational goals in an environment free from unreasonable constraints. The review and judicial process that supports this statement of rights and responsibilities protects the students' due process.

## **ANTI-BULLYING POLICY**

Recognizing and addressing bullying is paramount to ensuring a safe and healthy campus environment that is conducive to learning and that protects the rights of individuals. Hudson County Community College defines "bullying" as severe or repeated use by one or more individuals of written, verbal, or electronic communication, or a physical act or gesture exclusion directed at another individual. Bullying may cause physical or emotional harm, may create a hostile environment, and may infringe on a person's rights, and/or may disrupt the campus environment.

Any individual who believes that he/she is the subject of bullying or who has knowledge of bullying behavior should immediately report such conduct to the Office of Student Services and/or Office of Safety & Security. Complaints of bullying will be investigated promptly and in as impartial and confidential a manner as possible. Retaliation against any individual reporting such conduct will not be tolerated.

Any individual who is found, after appropriate investigation, to have participated in bullying is subject to disciplinary action per the institution's current policies.

**The College has a zero tolerance for any forms of cyber-stalking, cyber-bullying or cyber sexual harassment.**

# THE JUDICIAL PROCESS

## PHILOSOPHY

Individuals assume certain responsibilities for upholding and maintaining the standards and expectations of the community to which they belong. The College expects students to comply with civil laws as well as with College regulations. Student conduct that violates these laws and regulations may result in College disciplinary action. The judicial process is based on the assumption that disciplinary procedures, when required, should be an educational process. Disciplinary sanctions are imposed to help students develop individual responsibility and encourage self-discipline, to foster a respect for the rights of others, and to protect the rights, freedoms and safety of members of the campus community.

The purposes of the judicial process are to provide a fair, educational process for accountability of student conduct; to promote the development of individual integrity; to protect the rights of members of the College community; and to uphold the nonacademic rules and regulations of the College.

## PROCEDURAL REQUIREMENTS: COMPLAINT AND INITIAL INVESTIGATION

Complaints for alleged violations of the code of conduct may be filed against any student by any member of the College community. The complaint shall be a brief, written statement, citing the provisions of the code allegedly violated and providing a summary of the facts deemed to constitute a violation.

Complaints shall be filed with the Office of Student Services. The Associate Dean of Student Affairs or designee shall promptly consider and investigate the complaint.

Following the investigation, the Associate Dean of Student Affairs or designee shall determine whether there are sufficient grounds to believe that violation of the code occurred. When the Associate Dean of Student Affairs or designee has determined that there are insufficient grounds to believe a violation of the code occurred, the complaint shall be dismissed, and the complainant and the student complained against shall be informed, in writing, of this action. When the Associate Dean of Student Affairs or designee has determined that there are sufficient grounds to believe that a violation of the code occurred, the Associate Dean of Student Affairs or designee shall either hold an informal hearing, or refer the case to the Student Judicial Board, depending on the severity of the alleged violations.

## RIGHT TO A HEARING

The accused student shall be entitled to an expeditious hearing of the case. In hearings involving more than one accused student, the Case Manager, in his or her discretion, may permit the hearings concerning each student to be conducted separately.

## **NOTICE AND RESPONSE**

All charges shall be presented to the accused student in written form. The right to written notice of the charges will be delivered no less than 72 hours before the hearing, except when faced with the end of a semester. In such cases, the student may waive his or her right to 72 hours' notification in order to expedite the timely conclusion of a pending hearing. All written notices will be mailed to the address of the student as it appears on the official College records. Students are responsible for keeping the office of Enrollment Services informed of a current address.

## **INFORMAL HEARING**

In some cases of student misconduct, a formal hearing may not be necessary. This is most often true when the student admits responsibility and the violation is of a less serious nature. In this case, the student attends an informal hearing with the Case Manager to discuss the incident, the student's involvement in it, and any steps that must be taken or sanction imposed to resolve the matter. This meeting will be followed by an official letter summarizing this discussion. The letter becomes a part of a student's judicial file. Informal actions are not subject to appeal.

## **JUDICIAL BOARD**

In cases where the alleged violation is of such nature that, in the opinion of the case manager, a sanction of suspension or expulsion could be imposed, the matter will be referred to the Judicial Board. This authority and responsibility remains with the case manager, who is kept informed of all proceedings and reviews the determination and recommendations on sanctions. Some matters, such as cases involving student sexual misconduct may be referred to other College forums or offices.

### **Structure of the Judicial Board**

- The structure of the Judicial Board consists of trained members of the College community comprised of students, faculty and staff.
- The Associate Dean of Student Affairs as a nonvoting member appoints an administrative chair. The chair is responsible for keeping notes during the hearing, provide written summary of the reasoning of the Board, and distribute copies of the charges, decisions and recommended sanctions.

Members of the Judicial Board must disqualify themselves from hearing cases arising out of matters directly relating to them or concerning persons about whom they are unduly prejudiced.

## **EVIDENCE, TESTIMONY AND WITNESSES**

The hearing shall be of an informal nature and need not adhere to formal rules of procedure or technical rules of evidence followed by courts of law.

The student shall be entitled to appear in person to present a defense to the judicial body and may call witnesses. The student shall be entitled to refuse to answer questions, or may elect not to appear before the judicial body. Should the student elect not to appear, the hearing

shall be held in the student's absence. The student shall be entitled to ask questions of the judicial body or any witnesses.

## **RIGHT TO AN ADVISOR**

Students may be assisted at hearings by an advisor. The advisor cannot speak for the accused student; the advisor can only advise the student. Students must notify the case manager if they intend to bring an advisor, and must provide the advisor's name 24 hours in advance of the hearing.

## **BURDEN OF PROOF**

After the hearing, the judicial body shall determine, by majority vote (if the judicial body consists of more than one person), whether the student has violated each section of the code of student conduct which the student is charged with violating. The judicial body's determination shall be made on the basis of whether it is "more likely than not" that the accused student violated the code of conduct.

## **PRIVACY AND RECORDS OF THE PROCEEDINGS**

Hearings shall be held in private to protect the confidential nature of the proceedings. There shall be a record, such as a tape recording, of all hearings. The record shall be the property of the College.

## **THE DECISION**

The student shall be advised in writing of the adjudicating body's decision and method of appeal within five school days of the final hearing.

## **SANCTIONS**

Any student found responsible for violating any of the regulations or policies of Hudson County Community College may be subject to one or more of the following sanctions:

- Verbal Warning
- Formal Written Warning
- Fines and/or restitution
- Mandatory participation in an educational program
- Disciplinary Probation: Such status indicates that any future policy violations may result in more severe sanctions and/or suspension or expulsion from the College.
- Suspension: Student is prohibited from enrolling in classes or being on College premises for a specified period of time.
- Expulsion: Student is permanently prohibited from enrolling in classes or being on College premises.

## **EMERGENCY SUSPENSION**

If a student's actions pose an immediate threat or danger to any member of the College, the Associate Dean of Student Affairs (in consultation with the Vice President for Student Affairs and Enrollment) may immediately suspend or alter the rights of a student pending a

Judicial Board hearing. Scheduling the hearing shall not preclude resolution of the matter through mediation or any other dispute resolution process. The decision will be based on whether the continued presence of the student on the College campus reasonably poses a threat to the physical or emotional well-being of any individual, including the student, or for reasons relating to the safety and welfare of any College property, or any College function.

## **APPEALS**

The adjudicating body's decision may be appealed, in writing, by the charged student to the Vice President for Student Affairs and Enrollment within ten school days of the release of the decision. Appeals should specify the nature of and reasons for the appeal. The appeal may then be heard by the Vice President for Student Affairs and Enrollment. Appeals shall be based only upon the following grounds:

- Procedural conduct by the adjudicating body which may have been prejudicial to the accused student;
- The imposition of sanctions that are disproportionate to the offense;
- The emergence of new evidence that could not have been previously discovered by the exercise of due diligence and that, had it been presented at the initial hearing, would have substantially affected the original decision of the adjudicating body.

On appeal, the original decisions, including sanctions, may be sustained, reversed, or modified. The matter may also be returned to the Conduct Board for reconsideration and further findings of fact or determinations. It is within the discretion of the person handling the appeal to refer the matter to another appropriate College body. Decisions on appeal generally will be released within 21 business days of receipt of the appeal. Decisions on appeal are final.

## **SEXUAL MISCONDUCT POLICY AND PROCEDURES**

Hudson County Community College (HCCC) seeks to foster a safe and healthy environment built on mutual respect and trust. At the foundation of the College's mission is the recognition of the equal and inviolable dignity and worth of every person. Sexual Misconduct of any kind is a serious violation of these principles and will not be tolerated in any form.

Sexual Misconduct includes Sexual Exploitation, Sex-Based Harassment, Sexual Assault, Stalking, and Relationship Violence of a sexual nature. Sexual Misconduct can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Sexual Misconduct can be committed by men or by women, and it can occur between people of the same or different sex. Sexual Harassment, including sexual violence, is a form of sex discrimination.

Any member of the College community, who encourages, aides, assists or participates in any act of Sex Discrimination or Sexual Misconduct against another is in violation of the College's disciplinary policies, VAWA and Title IX.

Violence that is not of a sexual nature is also incompatible with the College's mission and a violation of College policies. Policies and procedures governing incidents of violence that are not of a sexual nature are covered separately.

All members of the College community and visitors are required to report incidents of Sexual Misconduct to the appropriate Title IX Coordinator or Deputy Coordinator.

Every member of the faculty, administration and staff is obligated by law under Title IX to immediately report to the Title IX Coordinator or the appropriate Deputy Coordinator incidents of or perceived incidents of Sexual Misconduct involving any member of the campus community or third party upon learning of the incident. Even if the alleged victim requests confidentiality of the incident, the employee has a legal and moral obligation to report.

Title IX Coordinators will make every effort to maintain the confidentiality of all parties involved during investigations into alleged Sexual Misconduct. There may be some incidences when confidentiality may not be possible if the safety and security of the accuser or other members of the College community are at risk.

All incidents or perceived incidents of Sexual Misconduct where the accused is an Administrative, Faculty or Staff employee or third party, are to be reported to the College's Title IX Coordinator:

Vivyen Ray  
Assistant Vice President for Employee Relations  
70 Sip Avenue – 3<sup>rd</sup> Floor  
Jersey City NJ 07306 (201) 360-4073

John Quigley  
Executive Director of Safety and Security  
71 Sip Avenue – Lower Level  
Jersey City, NJ 07306  
(201) 360-4081

All incidents or perceived incidents of Sexual Misconduct where the accused is a student at the Jersey City campus are to be reported to the Deputy Title IX Coordinator for Students:

Dr. David D. Clark  
Associate Dean of Student Affairs  
70 Sip Avenue – 3<sup>rd</sup> Floor  
Jersey City NJ 07306  
(201) 360-4189

**All incidents or perceived incidents of Sexual Misconduct where the accused is a student at the North Hudson Campus or Secaucus Center are to be reported to the Deputy Title IX Coordinator for Students:**

Yeurys Pujols  
Executive Director for North Hudson Campus  
4800 Kennedy Boulevard – 7<sup>th</sup> Floor  
Union City, NJ 07087  
(201) 360-4628

Dr. Christopher Conzen  
Executive Director of the Secaucus Center  
1 High Tech Way  
Secaucus, NJ 07094  
(201) 360-4386

In the event that the incident, policy, or procedure about which a student, employee, faculty member or third party seeks to file a report or complaint creates the appearance of a conflict of interest with any one of the members of the Title IX compliance team, complainants may contact any other member of the team, including the Title IX Coordinator or any Deputy Title IX Coordinator, directly.

HCCC is firmly committed to providing immediate care and support to all accusers. The College will take action to address any and all sexual misconduct, prevent its reoccurrence, and address its effects. In accordance with the Federal Campus Sexual Assault Victims' Bill of Rights, the College will ensure that:

- Survivors will be notified of their options to notify law enforcement.
- The accuser and accused will have the same opportunity to have an advisor (e.g., union representative) present during a hearing or other disciplinary proceeding.
- Both the accused and the accuser will be notified of the outcome of a disciplinary

proceeding.

- Survivors will be notified of counseling services.
- Survivors will be notified of options for changing academic arrangements.

HCCC will provide counseling to accusers who seek criminal prosecution under New Jersey State Penal Law. Any student charged with such an offense may be prosecuted under New Jersey State criminal statutes. Any student charged with such an offense may be subject to action under the HCCC's Student Conduct process, which acts independently of any legal proceedings.

Any faculty, administrative, staff employee or third party charged with such an offense may be prosecuted under New Jersey State criminal statutes. Any faculty, administrative, or staff employee charged with such an offense will be subject to the rules and procedures outlined in the Sexual Misconduct Policy and/or provisions of the Employee Handbook or Faculty Handbook, irrespective of collective bargaining agreements, which apply independently of any legal proceedings.

The College is required to report instances of alleged sexual misconduct to criminal authorities without the express consent of the victim, and where a legal obligation mandates such reporting (e.g., if there is suspected assault and/or abuse or neglect of a minor).

Taking into account the wishes of the accuser, the College will pursue disciplinary action in cases of Sexual Misconduct. Sanctions imposed on students for violations of the College's Sexual Misconduct Policy may include, but are not limited to, suspension or expulsion from the College. Sanctions imposed on faculty, administrative or staff employees for violations of the College's Sexual Misconduct Policy include, but are not limited to, suspension or dismissal from the College. The College's disciplinary processes act independently of any legal proceedings and may include adjudication as described in the respective collective bargaining agreement if appropriate.

## DEFINITIONS:

**Sexual Assault:** Any actual or attempted sexual contact with another person without that person's consent (See Consent defined below). Sexual assault includes anal, oral or vaginal penetration, however slight, or any sexual contact by a person upon another person without effective consent. (See Consent defined below). Sexual penetration includes, but is not limited to vaginal or anal penetration by a penis, object, tongue or finger and oral copulation by mouth-to-genital or genital-to-mouth contact.

**Sexual Exploitation:** Occurs when a person takes nonconsensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute sexual assault, sexual misconduct, or sexual harassment. Examples of sexual exploitation include but are not limited to making public sexual activity with another person without that other person's consent; prostituting another person; nonconsensual video or audio recording of

sexual activity; going beyond the boundaries of consent (such as letting someone hide in the closet to watch you having consensual sex); viewing another person's sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person's consent; and/or knowingly transmitting HIV or an STI (Sexually Transmitted Infection) to another member of the campus community.

**Sex-Based Harassment:** Includes sexual harassment and gender- based harassment.

**Sexual Harassment:** Includes unwelcomed conduct of a sexual nature, requests for sexual favors, and other gender-based verbal or physical conduct that is severe, persistent or pervasive enough to unreasonably interfere with an individual's educational experience or working conditions. Sexual harassment also occurs when submission to or rejection of such conduct denies or limits someone's ability to participate in or benefit from any college educational program, activity, or employment; or by creating an intimidating, hostile or offensive environment for another person.

**Gender-Based Harassment:** Includes unwelcomed conduct of a nonsexual nature based on a person's actual or perceived sex, including behavior based on gender identity, gender expression, and gender nonconforming behavior that creates a hostile environment for the student or employee.

**Quid Pro Quo Sexual Harassment or Request for Sexual Favors:** Unwanted conduct of a sexual nature in which submission to such conduct is made either explicitly or implicitly (or a factor affecting) a term of condition of an individual's education, living environment, employment, or participation in a school activity or program.

**Hostile Environment:** A "hostile environment" exists when sex- based harassment is sufficiently serious to deny or limit the person's ability to participate in or benefit from the College's programs or activities.

A hostile environment can be created by anyone involved in a College's program or activity (e.g., administrators, faculty members, students, and campus visitors).

In determining whether sex-based harassment has created a hostile environment, the College considers the conduct in question from both a subjective and objective perspective. It will be necessary, but not enough, that the conduct was unwelcome to the person who was harassed. However, the College will also need to find that a reasonable person in the person's position would have perceived the conduct as undesirable or offensive in order for that conduct to create or contribute to a hostile environment.

To make the ultimate determination of whether a hostile environment exists for any member of the College community, the College considers a variety of factors related to the severity, persistence, or pervasiveness of the sex-based harassment.

Including: (1) the type, frequency, and duration of the conduct; (2) the identity and relationships of persons involved; (3) the number of individuals involved; (4) the location of

the conduct and the context in which it occurred; and, (5) the degree to which the conduct affected a student's education, an employee's employment and/or a visitor's purpose on campus.

The more severe the sex-based harassment, the less need there is to show a repetitive series of incidents to find a hostile environment. Indeed, a single instance of sexual assault may be sufficient to create a hostile environment. Likewise, a series of incidents may be sufficient even if the sex-based harassment is not particularly severe.

**Relationship Abuse:** Relationship abuse is sometimes referred to as Intimate-Partner Violence, Domestic Violence or Dating Violence. Relationship Abuse refers to coercive behavior that serves to exercise control and power in an intimate relationship. The coercive and abusive behavior can be physical, sexual, psychological, verbal and/or emotional. Relationship abuse can occur between current or former intimate partners who have dated, lived together, currently reside together, or who otherwise are connected through a past or existing relationship. It can occur in opposite-sex and same-sex relationships. Relationship abuse can be a single event or a pattern of abuse. Examples of relationship abuse include, but are not limited to: attempting to cause or causing bodily injury by hitting, slapping, punching, hair- pulling, kicking, sexual assault and/or other forms of unwanted physical contact that cause harm; knowingly restricting the movements of another person; isolating or confining a person for a period of time; controlling or monitoring behavior; being verbally and/or emotionally abusive; and exhibiting extreme possessiveness or jealousy.

**Stalking:** This is usually defined by an institution's sexual misconduct policy as a course of conduct that places a person in fear for their safety or the safety of another. Any pattern of conduct that has the purpose or effect of producing fear and/or creating an intimidating, hostile or offensive environment. A "pattern of conduct" is defined as two or more times and constitutes a repeated attempt to initiate unwanted, inappropriate and/or threatening interactions with a particular person or group. Examples of stalking behavior include, but are not limited to unwelcome communication that can be face- to-face, phone, text messages, email, voice messages, written messages, gifts, etc. Pursuing and/or following another person or group; surveillance; trespassing; gaining unauthorized access to personal, medical, financial or any other identifying pieces of information without explicit permission; and accessing email, phone or other forms of personal communication in order to follow or monitor another's activity.

**Cyberstalking:** Is a non-physical form of stalking and is a violation of this policy. Therefore, using electronic media such as the internet, social networking sites, cell phones or similar devices or mediums to pursue, track, harass, monitor or make unwanted contact with another person is a violation of the Sexual Misconduct Policy.

**Consent:** With all cases of a sexual nature, consent is granted only when a person freely, actively, and knowingly agrees at the time to participate in a particular sexual act with another person. Consent exists when mutually understandable words and/or actions demonstrate a willingness to participate in a mutually agreed upon activity at every stage of that sexual activity. Either party can verbally or non-verbally withdraw consent at any stage. Consent

cannot be assumed from partner silence, manner of dress, or be based on a previous or ongoing sexual relationship.

**Incapacity:** A person is considered incapable of giving consent if he or she is:

- Under the age of consent, which is 16 in New Jersey state
- Asleep, unconscious, and/or losing and regaining consciousness
- Under threat of physical force or coercion, intimidation, or duress
- Mentally or physically incapacitated, for example by medication, alcohol and/or other drugs. Evidence of physical or mental incapacity will be determined by assessing context clues such as:
  - \* A witness or the accused may know how much the other party has consumed
  - \* Slurred speech
  - \* Bloodshot eyes
  - \* The smell of alcohol on the breath
  - \* Shaky equilibrium
  - \* Vomiting
  - \* Outrageous or unusual behavior

Lack of protest does not imply consent. Under no circumstance does a current or previous dating relationship constitute consent.

## **INVESTIGATIVE AND DISCIPLINARY PROCEDURES INITIAL MEETING**

Alleged violations of the College's Sexual Misconduct Policy are to be reported to one of the Title IX Coordinators. These individuals will provide an understanding of this policy and identify forms of support or immediate interventions available to the accuser, including referrals to appropriate law enforcement agencies, referrals for medical treatment, the College's Counseling Center and other on and off campus resources. A student, faculty member or employee who reports to the College that they have been a victim of one of the aforementioned crimes shall be provided with a written explanation of their rights or options.

When possible, the initial meeting may include a discussion of any accommodations that may be appropriate for the accuser's academic schedule, and/or College employment arrangements. If such a discussion is not possible or appropriate during the initial meeting, it will follow as soon thereafter as is possible and appropriate. Available accommodations will be provided to the victim regardless of whether he or she chooses to report the crime to campus police or local law enforcement. Please note, that the College is required by New Jersey State law to report alleged incidents of sexual assault to the appropriate law enforcement agency.

At the initial meeting or as soon thereafter as is possible and appropriate, the accuser will be asked to decide how he/she wants to proceed. The options include pursuing the complaint within the College and/or with local law enforcement or requesting the complaint remain

confidential. The appropriate adjudication/grievance process will be implemented, as applicable.

## **INTERIM MEASURES**

In all cases of alleged Sexual Misconduct, regardless of how the accuser wishes to proceed, HCCC will undertake a prompt, fair, and impartial investigation conducted by officials who receive annual training on issues related to sexual misconduct. At the same time, HCCC will take immediate and effective action to support and protect the accuser pending the final outcome of the investigation and hearing, taking into account the desire of the accuser to maintain confidentiality, as applicable. Accordingly, HCCC may impose a no contact order, which typically will include a directive that the parties refrain from having contact with one another, directly or through proxies, whether in person or via electronic means, pending the investigation and, if applicable, the hearing.

The College also may take any further protective action if deemed appropriate concerning the interaction of the parties including providing escorts for the accuser to and from HCCC locations, directing appropriate College officials to alter the students' academic schedules, provide a Leave of Absence, and/or alter College employment arrangements.

Title IX requires that when taking such steps to separate the accuser and the accused, HCCC should minimize the burden on the accuser and thus should not, as a matter of course, remove the accuser from his/her classes, or employment while allowing the accused to remain. HCCC will consider how such changes will impact the accused.

Violation(s) of HCCC's directives regarding the protective actions may lead to additional disciplinary proceedings as outlined in the Student Handbook for students, the Employee Manual for all administrative and staff employees, the Faculty Handbook for faculty and, if applicable, the collective bargaining agreement.

## **ACCUSER REQUESTS CONFIDENTIALITY**

If the accuser requests confidentiality, under Title IX, HCCC is still required to investigate and take reasonable action in response to the accuser's request. The accuser should be informed that in such situations that HCCC's ability to take action is likely to be limited. Alleged sexual assault incidences must be reported to the appropriate law enforcement agency whether or not the accuser participates in an investigation.

In such cases, Title IX requires the College to evaluate the accuser's request(s) that the complaint not be adjudicated or remain confidential due to the HCCC's legal and moral obligation to provide a reasonably safe and non-discriminatory environment for all students, faculty, administrative and staff employees. In order to make such an evaluation, HCCC may conduct a preliminary investigation into the alleged Sexual Misconduct and will weigh the accuser's request(s) for confidentiality against the following factors: the seriousness of the alleged Sexual Misconduct, whether there have been other complaints of Sexual Misconduct against the same individual, and the accused's rights to receive information about the allegations if the accused is a student and HCCC maintains such information as an educational record under the Family Education Rights and Privacy Act (FERPA). An

accuser's collective bargaining unit will not be consulted if the accuser requests confidentiality without the accuser's express permission.

The College will inform the accuser if HCCC cannot ensure confidentiality. Even if the College cannot take disciplinary action against the accused because the accuser insists on confidentiality or that the complaint not be adjudicated, Title IX requires the College to take prompt and effective action to limit the effects of the alleged Sexual Misconduct and to prevent its recurrence. The College reserves the authority to issue a no-contact order and other measures as indicated in this policy.

The Title IX Coordinator, charged with coordinating investigative and disciplinary procedures, will disclose confidential information regarding instances of sexual misconduct only on a need to-know basis. Notwithstanding the HCCC's respect for the accuser's confidentiality, the College will disclose information relating to instances of Sexual Misconduct to appropriate legal authorities where it has a legal obligation to do so.

## **ACCUSER REQUESTS INFORMAL RESOLUTION**

An accuser, who wishes to file an official complaint within the College, but who does not wish to pursue the formal student or faculty, administrative or staff employee conduct process, may request a less formal proceeding, known as Informal Resolution. Informal Resolution is an adjudicative process; it is not mediation.

Informal Resolution provides an opportunity for the accuser to confront the accused in the presence of and facilitated by a Title IX Coordinator, and to communicate his or her feelings and perceptions regarding the incident, the impact of the incident and his or her wishes and expectations regarding protection in the future. The accused will have an opportunity to respond.

Both the accuser and the accused may each choose an advisor to accompany them throughout the Informal Resolution process. The advisor may advise the accuser or accused during the Informal Resolution. However, in accordance with applicable Title XI, Clery and VAWA provisions, the advisor may not address the Title IX Coordinator during the course of the proceedings, question witnesses or participate directly in the Informal Resolution proceedings. When a student is the accuser, the Deputy Coordinator for Students may elect to be assisted by a member of the Sexual Misconduct Hearing Board or a member of the Associate Dean of Student Affairs staff.

Informal Resolution cannot result in the formal sanctions of suspension or expulsion from the College or the termination of employment of the accused. Informal Resolution may result in imposing protective actions agreed upon by the parties. Without such agreement, the Title IX Coordinator may impose protective actions based on information derived from the proceedings, taken together with any other relevant information known to the College at the time of the Informal Resolution. These procedures are in accordance with applicable Title IX, Clery, and VAWA provisions effective July 1, 2015.

The accuser may, at any time prior to the conclusion of the Informal Resolution, elect to end such proceedings and initiate the formal HCCC conduct process instead. In such cases, statements or the parties in the course of the Informal Resolution may be used as evidence in the formal HCCC conduct process. However, the Title IX Coordinator may consider such statements and impose protective actions as deemed necessary until all formal College conduct procedures are completed including the Appeals Process.

In order to promote honest and direct communication, information disclosed during Informal Resolution will remain confidential while the Informal Resolution is pending, except where disclosure may be required by law or authorized in connection with duties on behalf of HCCC. The investigation and Informal Resolution should conclude within sixty (60) days.

## **ACCUSER REQUESTS COLLEGE ADJUDICATION**

If the accuser decides to proceed with the College adjudication, the College will proceed with a full investigation.

## **ACCUSED AS AN ADMINISTRATOR, FACULTY OR STAFF MEMBER IN COLLEGE ADJUDICATION**

In cases where the accused is an administrator, faculty, or staff member, the Sexual Misconduct Policy, the Employee Handbook, Faculty Handbook and if applicable, collective bargaining unit shall govern how the case is investigated and adjudicated. Following the investigation and hearing (if applicable), the Chief Human Resources Officer will issue a document to the accused and the accuser indicating the results of the proceeding. Results will include a finding of *in violation* or *not in violation* of Sexual Misconduct for the accused, the sanctions imposed, if any, and an explanation of the rationale for its determination.

## **ACCUSED AS A STUDENT IN COLLEGE ADJUDICATION**

In cases where the accused is a student, the Sexual Misconduct Policy and the Student Handbook shall govern how the case is investigated and adjudicated. Following the investigation and hearing (if applicable), the Associate Dean of Student Affairs (if the accused is a Jersey City campus student) or the Executive Director for the North Hudson Campus (if the accused is a North Hudson Campus student) will issue a document to the accused and the accuser indicating the results of the proceeding. Results will include a finding of *in violation* or *not in violation* of Sexual Misconduct for the accused, the sanctions imposed, if any, and an explanation of the rationale for its determination.

## **RETALIATION**

HCCC strictly prohibits retaliation against any person who in good faith brings forth a Sexual Misconduct Policy violation in addition to retaliation against any person because of his or her good faith involvement in an investigation or hearing as part of the complaint process. Encouraging others to retaliate also violates this policy.

Retaliation is any materially adverse action, or threat thereof, against an individual because of the individual's good faith report or complaint of a potential policy violation or his/her good

faith participation in an investigation or hearing. Retaliatory acts may include, but are not limited to: adverse changes in employment status or opportunities; adverse academic action; adverse changes to academic, educational and extra-curricular opportunities; harassment; intimidation; acts or comments intended to embarrass the individual; and seeking out or attempting to discover the parties and witnesses involved in a report or complaint process for the purpose of influencing their participation or testimony or taking adverse action against them.

Retaliatory conduct by community members and third parties are prohibited regardless of whether such conduct occurs on or off campus, in person, or through social media, e-mail, or other form of communication. Retaliatory conduct may lead to additional disciplinary proceedings as outlined in the Student, Faculty and Employee Handbooks and applicable collective bargaining agreements. **Anyone who feels they have been retaliated against should report the retaliation to the Title IX Coordinator.**

## **SEXUAL MISCONDUCT AND RELATIONSHIP ABUSE EDUCATION**

HCCC provides Sexual Misconduct and Relationship Abuse primary prevention programs, ongoing prevention and awareness campaigns, and risk-reduction programs to the campus community, and educates about relevant resources.

Through annual training, the College encourages students, faculty, administrative and staff employees to learn about sexual misconduct. The Assistant Vice President for Employee Relations, Associate Dean of Student Affairs and Executive Director for the North Hudson Campus are valuable resources for students, faculty, administrative and staff employees who have experienced Sexual Violence or who are interested in learning more about how Sexual Violence affects their campus and the society in which they live.

## **BYSTANDER INTERVENTION INFORMATION**

If someone suspects that another individual may be in a high-risk situation to become a victim of any form of Sexual Misconduct, it is important to decide as a bystander whether there is a safe and reasonable way to intervene effectively.

There is no legal obligation in New Jersey State for a bystander of a potentially violent situation or crime to intervene or act. Bystanders are encouraged to act if there are safe and reasonable ways to intervene and/or discourage people from being uncivil towards each other in an effort to foster a safer environment for everyone.

### **BYSTANDER TIPS:**

- Remind others that “consent” is the difference between sex and sexual assault and that someone can be too intoxicated, or otherwise physically or mentally incapacitated to consent.
- Take the initiative to help others who are not thinking clearly from becoming targets of violence (or) take steps to stop a friend who chooses to use violence.
- Prevent an intoxicated person from going to a private location with a stranger or an acquaintance.

- Do not leave anyone, whether a friend of an acquaintance, alone at a party or a bar.
- Ask anyone, whether an acquaintance or stranger, who is attempting to engage in Sexual Misconduct to stop and leave the location.
- Recognize dating or domestic partners who cause fear or physical pain to their partner and voice your concerns where appropriate; one suggestion is referring the student to the appropriate counselors and a faculty, administrative or staff to Human Resources.
- Contact Campus Security, Human Resources, Associate Dean of Student Affairs, and Executive Director of the North Hudson Campus or another person of authority who can assist.

## **WHAT YOU CAN DO IF YOU HAVE EXPERIENCED SEXUAL ASSAULT**

Hudson County Community College is committed to providing confidential, nonjudgmental and appropriate support services for all sexual assault survivors, regardless of gender, ethnicity, race, sexual orientation, age, ability, immigration status or whether or not they are reluctant to report the crime. It is important to understand that you are not at fault for the assault in any way. No one ever deserves to be assaulted and persons who commit sexual assault do so out of a need to control, dominate, abuse and humiliate.

## **GET TO A SAFE PLACE IMMEDIATELY**

You need to find a place where you feel comfortable and safe from harm. This could be your home, a hospital, the police station, a friend's room or your home. If you are on campus and need assistance, you can call Security at (201) 360-4080 (Jersey City) or (201) 360-4777 (North Hudson). If you are off campus, you can call 911.

## **SEEK MEDICAL ATTENTION AS SOON AS POSSIBLE**

Even if you do not want to report the sexual assault to the police, or if it has been a while since the assault, you may still benefit from medical attention. Evidence collection may be possible through a "rape kit" if you have been sexually assaulted in the past 96 hours/4 days. The hospitals listed in this policy have Sexual Assault Nurse Examiner (SANE) programs, which utilize specially trained nurses to collect evidence and administer care. In addition to collecting evidence, health concerns such as sexually transmitted infections (STI), pregnancy, and treatment of injuries will be addressed. It is important to have the evidence collected

because, although you may not want to pursue criminal action immediately, you may change your mind in the future.

If you want evidence to be collected at the hospital, do not shower, bathe, douche, wash your hands, brush your teeth, or comb your hair. Even though you may desperately want to clean yourself, you may destroy important evidence if you do so. If you have done any of the things mentioned, it is ok, it may still be possible to find evidence. You are encouraged to bring a change of clothing if you choose to have medical personnel collect evidence.

## **REPORT THE INCIDENT**

The College encourages victims to report all cases of Sexual Misconduct. Reporting an incident to the College is different from legal prosecution. You are not obligated after reporting an incident to cooperate in a criminal investigation; however, the College is obligated to report the incident to appropriate law enforcement agencies.

### **To report an assault, contact any one of the following Offices:**

- Office of Human Resources: (201) 360-4073
- Associate Dean of Student Affairs: (201) 360-4602
- Executive Director North Hudson Campus: (201) 360-4628
- Executive Director of Secaucus Center: (201) 360-4386
- Safety & Security Department (Journal Square Campus): (201) 360-4080
- Safety & Security Department (North Hudson Campus): (201) 360-4777
- Counseling Center: (201) 360-4155

A staff member will meet with you to provide support and immediate interventions, which may include:

- Referrals to appropriate law enforcement agencies.
- Referrals for medical treatment and/or counseling at the Counseling Center, and/or other on and off campus resources.
- Alternative accommodations for College housing, employment arrangements or academics.

# COLLEGE POLICIES, PROCEDURES, AND GUIDELINES

## ACADEMIC INTEGRITY POLICY

Academic integrity is central to the pursuit of education. For students at HCCC, this means maintaining the highest ethical standards in completing their academic work. In doing so, students earn college credits by their honest efforts. When they are awarded a certificate or degree, they have attained a goal representing genuine achievement and can reflect with pride on their accomplishment. This is what gives college education its essential value.

Violations of the principle of academic integrity include:

- Cheating on exams.
- Reporting false research data or experimental results.
- Allowing other students to copy one's work to submit to instructors.
- Communicating the contents of an exam to other students who will be taking the same test.
- Submitting the same project in more than one course, without discussing this first with instructors.
- Submitting *plagiarized* work. *Plagiarism* is the use of another writer's words or ideas without properly crediting that person. This unacknowledged use may be from published books or articles, the Internet, or another student's work.

## VIOLATIONS OF ACADEMIC INTEGRITY

When students act dishonestly in meeting their course requirements, they lower the value of education for all students. Students who violate the College's policy on academic integrity are subject to failing grades on exams or projects, or for the entire course. In some cases, serious or repeated instances of academic integrity violations may warrant further disciplinary action.

## VIOLATIONS REPORTED TO THE DIVISION DEAN OR ASSOCIATE DEAN OF STUDENT AFFAIRS

Depending on the severity of the violation(s), the division dean will determine whether further disciplinary action is warranted. The Associate Dean of Student Affairs assists Academic Affairs in maintaining a high level of academic integrity on the campus. The Associate Dean of Student Affairs works with the faculty and division deans to educate students about academic dishonesty and to adjudicate disciplinary cases in which there are suspected violations of college policies. Should a violation of HCCC's academic integrity standards warrant a disciplinary hearing with the Associate Dean of Student Affairs, sanctions may include suspension, expulsion, or other measures deemed appropriate.

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Student records are protected in accordance with the Family Educational Rights and Privacy Act of 1974 as amended (FERPA). Student academic records are maintained in the

Registrar's Office. They may be viewed by College officials who have a legitimate educational interest, and by others as authorized by law. In order to protect a student's privacy, student grades and other non-directory information will be released only to the student, and not to family members without written release. For their protection, the student will be required to present valid identification when they request any information relating to their record. For more information, contact the Registrar's Office at (201) 360-4121.

Student records are protected in accordance with the Family Educational Rights and Privacy Act of 1974 as amended (FERPA). Student records will only be released upon written authorization from the student. **Under FERPA, Hudson County Community College may release "directory information" without prior consent of the student. Directory information may include: name, address, telephone listing, electronic mail address, date and place of birth, photographs, field of study, enrollment status (full-/part-time), degrees and awards given, dates of attendance, most recent previous school attended, and grade level. A student who wishes to prevent the disclosure of directory information must submit a written request to the Registrar's Office no later than the tenth day of the start of each semester. FERPA is applicable to high school students taking courses with HCCC.**

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights include:

- The right to inspect and review the student's education records within 45 days after the day Hudson County Community College receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by Hudson County Community College to comply with the

requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education

## **STUDENT E-MAIL POLICY**

### **A. Purpose of the Policy**

There is an expanding reliance on electronic communication among students, faculty, staff, and administration at Hudson County Community College. This is motivated by the convenience, speed, cost-effectiveness, and environmental advantages of using e-mail rather than printed communication. Because of this increasing reliance and acceptance of electronic communication, e-mail is considered an official means for communication within HCCC.

### **B. Scope**

- This student e-mail policy provides guidelines regarding the following aspects of e-mail as an official means of communication:
- College use of e-mail;
- Assignment of student e-mail addresses;
- Student use of and responsibilities associated with assigned e-mail addresses; and
- Expectations of e-mail communication between faculty and student and staff and student.

### **C. Policy**

#### **College use of e-mail:**

- E-mail is an official means for communication within HCCC. Therefore, the College has the right to send communications to students via e-mail and the right to expect that those communications will be received and read in a timely fashion.
- Assignment of student e-mail addresses
- Information Technology Services (ITS) will assign all students an official College e-mail address. It is to this official address that the College will send e-mail communications; this official address will be the address listed in the College's Enterprise Directory for that student.
- Redirecting of e-mail
- A student may have e-mail electronically redirected to another e-mail address. If a student wishes to have e-mail redirected from his or her official address to another e-mail address (e.g., @aol.com, @hotmail.com, or an address on a departmental server), they may do so, but at his or her own risk. The College will not be responsible for the handling of e-mail by outside vendors or by departmental servers. Having e-mail redirected does not absolve a student from

the responsibilities associated with communication sent to his or her official College e-mail address.

- Expectations regarding student use of e-mail
- Students are expected to check their official e-mail address on a frequent and consistent basis in order to stay current with College communications. The campus recommends checking e-mail once a day at a minimum; in recognition, that certain communications may be time-critical.
- Educational uses of e-mail
- Faculty may determine how e-mail will be used in their classes. It is highly recommended that if faculty have e-mail requirements and expectations they specify these requirements in their course syllabus. Faculty may expect that students' official e-mail addresses are being accessed and faculty may use e-mail for their courses accordingly.
- Inappropriate use of student e-mail
- Electronic communications whose meaning, transmission or distribution is illegal, unethical, fraudulent, defamatory, harassing or irresponsible are prohibited. Electronic communications should not contain anything that could not be posted on a bulletin board, seen by unintended viewers or appear in a College publication. Material that may be considered inappropriate, offensive or disrespectful to others should not be sent or received as electronic communications using College facilities.

Actions considered violations of this e-mail policy are as follows:

- Sending unauthorized bulk e-mail messages ("junk mail" or "spam").
- Using e-mail for harassment, whether through language, frequency, content, or size of messages.
- Forwarding or otherwise propagating chain letters and pyramid schemes, whether or not the recipient wishes to receive such mailings.
- Malicious e-mail, such as "mail-bombing," or flooding a user site with very large or numerous pieces of email.
- Forging of sender information other than [accountname@hccc.edu](mailto:accountname@hccc.edu) or other pre-approved header address.
- Sending e-mail for commercial purposes or personal financial gain.

#### **D. Procedures**

The Office of the Information Technology Services will review this policy as needed. Students with questions or comments about this policy should contact this office. The College has the right to remove access to accounts found in violation of this policy.

## STUDENT GRIEVANCE PROCEDURES

Under present student grievance procedures, students are free to take their concerns to a variety of College and/or student groups to be heard, but certain steps should be followed:

- A.** Complaints related to the academic experience - e.g., instructor methods, grades, class requirements, etc., (refer students to catalog for grade appeal procedure):
  - 1. Faculty Member
  - 2. Division Associate Dean
  - 3. Dean of Instruction
  - 4. Executive Vice President and Provost
  - 5. President
  
- B.** Complaints related to College employees (faculty/staff) regarding sexual, racial, religious and homophobic harassment:
  - 1. Title IX Coordinator(s)
  - 2. President
  
- C.** Administrative decisions related to payment (e.g., refunds, outstanding obligations, fees, deferred payments, etc.)
  - 1. Controller
  - 2. Vice President for Business and Finance/CFO
  - 3. President
  
- D.** Complaints related to support services for students with disabilities:
  - 1. Coordinator of Accessibility Support Services
  - 2. Associate Dean of Student Success
  - 3. Associate Dean of Student Affairs
  - 4. Vice President for Student Affairs and Enrollment
  - 5. President
  
- E.** Security issues (e.g., property damage, thefts, etc.)
  - 1. Executive Director of Security & Security
  - 2. Vice President for Student Affairs and Enrollment
  - 3. President

The Student Government Association often serves as an appropriate vehicle for airing student complaints in the first instance, particularly if such complaints affect a significant portion of the student population. The listing above indicates examples of student grievance procedures. Students are invited to look upon the Student Services Office as a resource for any concern they may have about their enrollment at HCCC. None of the above procedures, or any regulations cited in the Student Handbook, impedes (precludes) students' right to seek recourse through the public or civil courts. Students enjoy the same freedom of speech, peaceful assembly, and the right to petition that any other citizens enjoy, and as members of the College community, they also are subject to the same duties society places on others.

## LEAVE OF ABSENCE

Students may apply for an official leave of absence for up to one academic year. Students granted such a leave may return to HCCC before or at the end of the requested leave period without re-applying for admission. Such students will receive all pre-registration materials and other College information during the period of the official absence. To receive a leave of absence, students must:

- Be in good academic standing;
- Obtain from their advisor and division chair, permission and signatures on completed Leave of Absence Request Form;
- File the completed form at the Enrollment Services Center

## COLLEGE WIDE IDENTIFICATION CARDS

Students are required to carry an official HCCC CWID card (Campus Wide Identification) at all times while on campus. Presentation of a CWID card may be necessary for fulfillment of certain student services (shuttle service, trips and events, library, computer labs, etc.), and is required upon entering all College's facilities. Students may obtain a new or replacement (fees applies) CWID card at the Safety & Security Department, Journal Square Campus (201) 360-4080, or at the North Hudson Campus in Union City 4800 Kennedy Boulevard, (201) 360- 4777.

Once approved, the flyer or poster may be placed **only** in designated areas. Posting in spaces other than those designated (bulletin boards) is prohibited. **No posters are allowed on doors, windows, walls, bathrooms, etc. No notices regarding sale of personal items or services will be approved.** This means no book sales, baby-sitting services, or any other outside for-profit organization will be approved for posting.

## PETITIONS

Before a petition can be circulated, one copy must be filed with the Vice President for Student Affairs and Enrollment. Each copy must bear the name of the student or student organization sponsoring the petition and the topic of the petition.

## SOLICITATION

In order to minimize personal inconvenience and interference with College activities, no persons shall sell, solicit, or promote anything, including subscription, pledges, memberships, or other types of support for any drives, campaigns, causes, or organizations anywhere on College property. Distribution or circulation of leaflets, pamphlets, circulars, cards or other

literature is not permitted during working hours or in work areas, unless specifically authorized by the President or the President's designated representative.

## **STUDENT CORRESPONDENCE**

Individual students may not write to anyone in the name of Hudson County Community College unless it is done in an official manner by a student organization or approval from an official office of the College.

The statement of intention must include: date, time, location, and purpose, approximate number expected to participate, and type of activity involved (e.g., picketing, distributing leaflets, etc.) and the names of three persons responsible for maintaining reasonable order. All demonstrations must observe the following guidelines:

- All demonstrations must be peaceful and orderly;
- Demonstrations may not impede the freedom of the College Community to conduct its affairs.

All demonstrations are subject to reasonable Time, Place and Manner restrictions imposed by the Vice President for Student Affairs and Enrollment. Violation of the demonstration policy is subject to disciplinary action.

## **GUIDELINES FOR STUDENT LOUNGE CONDUCT**

# HEALTH AND WELLNESS POLICIES

## DRUG AND ALCOHOL FREE ENVIRONMENT

The College is committed to promoting the wellness and positive self- development of its students. The unauthorized use or abuse of alcohol and the illegal use and abuse of drugs impedes students from gaining the full benefit of their learning experience and exposes them to serious illness and health risks. Unauthorized or illegal use and abuse of drugs or alcohol is prohibited at the College. The College declares that it will make every effort to provide its students with an environment that is free of unauthorized use and abuse of alcohol and illegal drugs. Violations of this policy may lead to serious disciplinary action.

## ALCOHOL

HCCC is an educational institution committed to maintaining an environment that allows students to fully benefit from their learning experience and to understand the negative consequences of the illicit use of alcohol and drugs on their lives. In accordance with the policy approved by the Board of Trustees of HCCC, and in accordance with Public Law 101-226, the College declares that it will make every effort to provide its students with an environment that is free of the problems associated with the unauthorized use and abuse of alcohol and illegal drugs.

The College is committed to promoting the health and positive self- development of its students. The College wishes to comply with the Drug-Free Workplace Act of 1988, 41 USC-701 et seq., and other relevant substance-abuse laws.

## HEALTH RISKS OF SUBSTANCE ABUSE

We live in a drug-oriented society. Drugs have saved lives, greatly reduced human suffering and improved the quality of life. Sometimes drugs are misused or abused. Psychoactive drugs act on the central nervous system. They may increase activity (stimulants), decrease activity (depressants), or cause hallucinations (hallucinogens).

Every drug has multiple effects that depend on the properties of the drug and the dosage taken. When two or more drugs are taken together or in sequence, their effects may be stronger than their additive sum.

The effects of drug use are highly individualized. Drug use or abuse can affect a person's physical, emotional and social health. It can cause accidents, illnesses, drug dependence, overdose and even death. It can cause legal problems, economic problems, school or work problems, and relationship problems. Drug use and abuse can cause serious harm.

Listed below are some common health effects of alcohol and/or drug use and abuse:

### **Alcohol**

- \* Accidents
- \* Blackouts
- \* Cirrhosis of the liver
- \* Fetal Alcohol Syndrome (birth defect)
- \* Gastritis

### **Marijuana**

- \* Confusion and distortion of time perception
- \* Damaged lung tissue
- \* Decrease in male sexual capacity

- \* Tolerance and psychological dependence

### **Amphetamines**

- \* Acute psychosis

## **ALCOHOL AND DRUG RESOURCES AND SERVICES**

The Office of the Vice President for Student Affairs and Enrollment staff are available to assist HCCC students with educational information, and referral services for alcohol and drug abuse. Counselors are available to provide students with help in understanding and identifying factors that may point to abuse of alcohol or drugs by themselves, family or friends. Counseling is offered to students who need to take the first step in acknowledging a problem. Counselors provide referrals to treatment programs and support to students as they contact outside agencies.

## **STANDARDS OF CONDUCT**

HCCC's rules and regulations specifically prohibit:

- The consumption, possession, or sale of alcoholic beverages on campus.
- The illegal possession, sale, use or exchange of any drug, narcotic, hallucinogen or similar chemical agent.

## SMOKING POLICY

Smoking, including cigarettes, cigars, pipe tobacco, and use of electronic cigarettes, is prohibited at all times on the College campus, including in all of its buildings, laboratories, classrooms, private offices, balconies, vestibules, loading docks, and or any other campus property as well as within close proximity to or causing obstruction of any building entrance, covered walkway or ventilation system.

Signs will be posted at each building's entrance and displayed in prominent, visible areas to inform all individuals entering or occupying HCCC property that smoking is prohibited.

Compliance with this policy is the shared responsibility of all Hudson County Community College staff, students, and faculty. The success of this policy will depend on the courtesy, respect, and cooperation of all members of the campus community.

## CHILDREN ON CAMPUS POLICY

Hudson County Community College has an obligation to its students, faculty, staff, and visitors to conduct its operations and maintain its facilities in a manner consistent with its mission as an institution of higher education. For this reason, young children should not be brought to the campus, and may not attend classes with their parent or guardian. There may be occasions when brief visits by children of students may be appropriate.

Children, along with their parent or guardian, may visit college offices and facilities, **other than classrooms**, for limited periods of time when their parent or guardian is conducting routine business at the college. **Regular repeated visits by children are not permitted.** In no case are children permitted in classrooms, labs, construction/repair sites, or other areas where potential hazards exist. Children brought on campus must be directly supervised at all times by their parent or guardian.

### **ADDRESSING FOOD INSECURITY AT HCCC**

#### **HCCC Food Pantries**

The United States Government Accountability Offices (GAO) recently conducted research and found that increasing evidence indicates that some college students are experiencing food insecurity, which could significantly affect their academic success in a negative way.

Hudson County Community College established food pantries on both campuses to address hunger and food insecurity that may exist among the campus population. We welcome the opportunity to work with volunteers throughout the year. Volunteers will receive and distribute donations, sort food items, check for expiration dates, discard expired items, and keep the pantry area clean and organized.

The HCCC Food Pantries are located in the lower level at 2 Enos Place (Journal Square Campus, Room J002, (201) 360-4109) and 4800 Kennedy Blvd, Room N513A (North

Hudson Campus, (201) 360-4709). Please check the website at <https://myhudson.hccc.edu/hudson-helps> for hours of operation and other useful food pantry information.

Financial burdens, family obligations, student and faculty relationships, occasional self-doubt and insecurity represent additional factors that students must resolve. For many students,

becoming familiar with a new language and culture, or dealing with issues of developmental, physiological, or physical disabilities, add to the difficulty of adjusting to college life.

Honors Lecturer/Coordinator: *Jenny Bobea*

E-mail: [honors@hccc.edu](mailto:honors@hccc.edu)

Each semester, Hudson County Community College offers a number of courses that carry an “Honors Only” designation. In order to register in one of these courses, students must meet specified academic criteria established to guarantee their ability to benefit from the rigor of Honors Program sections. In these courses, students should expect smaller class size, more one-to-one instructor contact, assignments of greater complexity and breadth and the opportunity to work alongside other students with similarly exceptional initiative and ability. Honors students are required to complete a capstone project for every Honors course, attend the Honors Showcase at the end of the semester, and participate in college-wide as well as Honors Program sponsored events.

Members of the College’s Honors Program are provided with many unique opportunities. Some of the benefits include: the designation of Honors courses on students’ transcripts, access to the private Honors Lounge, an opportunity to meet, work, and socialize with other Honors students, stimulating, smaller classes that provide challenging course work and exciting class discussions, and milestone recognitions upon completion of three and five Honors courses. The HCCC Department of Cultural Affairs (DOCA) celebrates diversity year-round with a variety of programs and exhibitions which are held at Dineen Hull Gallery. DOCA's mission is to provide supplementary programs to stimulate awareness of the arts and foster creativity. Our goal is to transcend the understanding of visual and performing arts by closing the distance between the experience of art and everyday life in the community we serve.

DOCA hosts several exhibitions in the College's nearly 3,000 square foot gallery and welcomes thousands of guests each semester. The biannual student art exhibition features graduating Computer Arts and Studio Arts majors, *Teacher as Artist* exhibits (displayed in both College Libraries) celebrate the creativity of Hudson County educators, and pop-up exhibitions held in the 6<sup>th</sup> floor atrium allow DOCA to partner with and highlight various HCCC academic departments. Featured exhibitions include *Out on Broadway: A Visual Legacy*, *Hip Hop Utopia*, and *Urban Crossroads*.

The gallery exhibitions expose students to local and international artists of various disciplines and provide educational programming that is relevant to the constituents of Hudson County. Through the DOCA Docent Program students learn the daily operations of running a gallery while shadowing our staff, they interact with artists and learn all aspects of running multidisciplinary programs and art exhibitions. Additional DOCA programs include Art Café, Collectors Club, Gallery Tours, and HCCC Spotlights. The department's past programs have included New Jersey Symphony Orchestra's presentation of classic Bollywood music, Indie Female Filmmakers Screenings presented by Tribeca Film Festival star Delaney Buffet, a variety of NJPAC satellite educational presentations, the Ladybugs jazz performance and broadcast with WBGO and community artist residencies with Thinking in Full Color and Jersey City Writers.
