

The background image shows an art studio with several students working at easels. In the foreground, a young woman with dark hair tied back, wearing a light green sweater and a pearl necklace, is looking down at her work. To her left, another student wearing a grey beanie and glasses is seated at a table. In the background, another student is visible working at an easel. The studio is filled with wooden easels and art supplies.

Food, this thing that we need to
live, is always, always on your
mind in one way or another. If
you don't know what you're
having for dinner tonight,
how can you
think about
tomorrow?

SNAP helps eligible individuals and families to buy groceries. Monthly **SNAP** benefits are put on an EBT card, similar to a debit card, that is accepted in most grocery and food retail stores as well as some online vendors.

New Jersey households on **SNAP** receive at least \$95 per month, and many households receive much more.

Students: **SNAP** may improve your health and your academic performance!
