Citrix Remote MFA for Chromebook

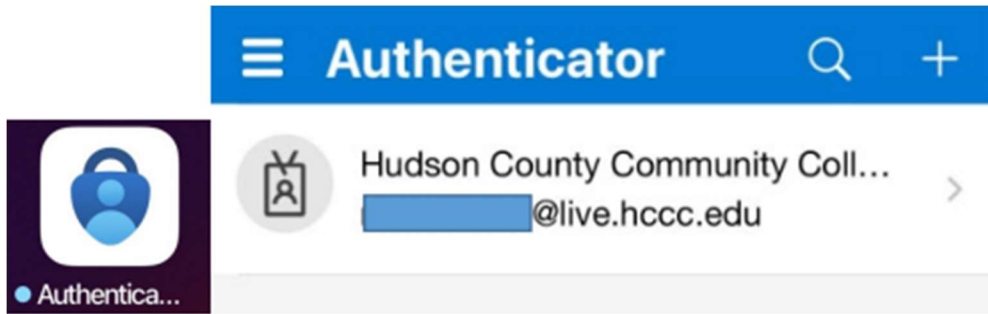

1. Go to <https://remote.hccc.edu> and sign in using your HCCC credentials

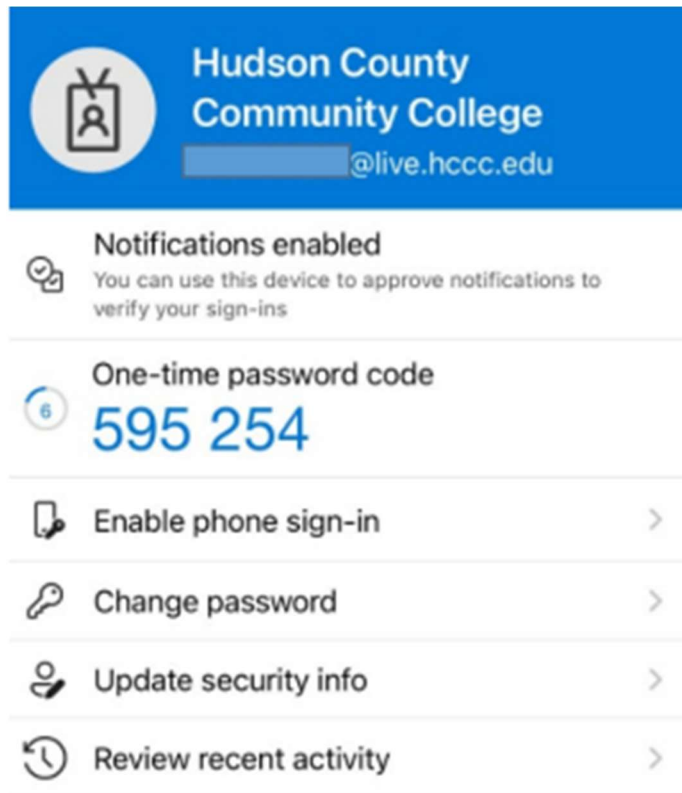

2. On this screen, enter the MFA code from the authenticator app.

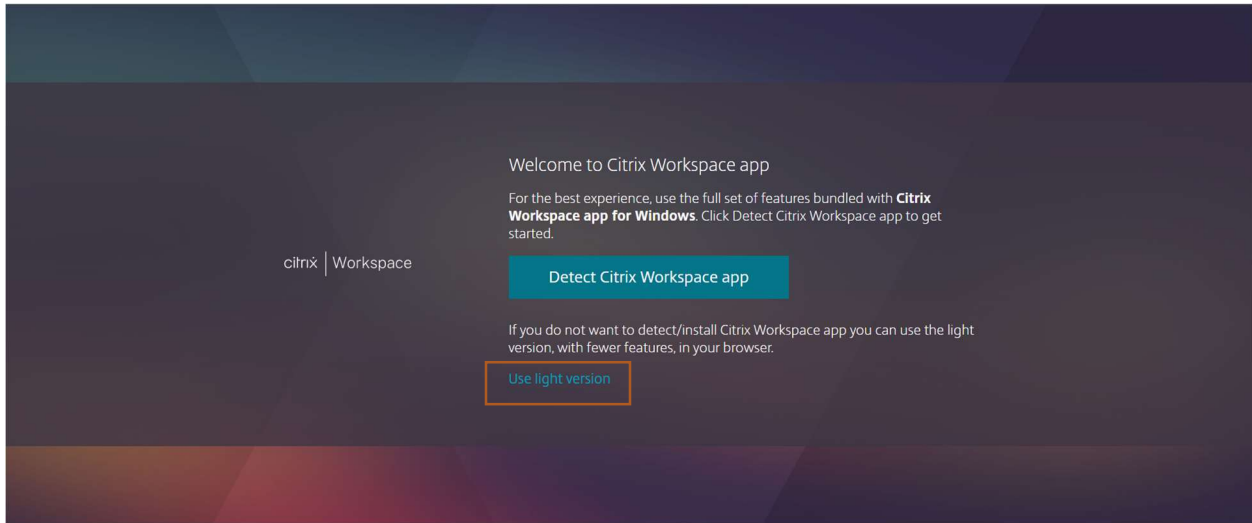

3. Open the Microsoft Authenticator on your phone and click on your HCCC account.

4. Type the code in the Microsoft verification code box and click submit

5. On this screen, select Use Light Version option.

6. Please select a remote desktop to begin.
