College Overview

Hudson County Community College (HCCC) is an award-winning, comprehensive urban college serving one of the most historic and ethnically diverse areas of the United States. HCCC students were born in 119 countries and speak 29 different languages. The diversity and the multitude of our community's cultures, life experiences, skills and aspirations, are the very values and traits that empower us to be productive and caring members of our society.

HCCC embodies an unwavering commitment to student success and an intentional focus on diversity, equity, and inclusion. In 2019, the President's Advisory Council on Diversity, Equity, and Inclusion (PACDEI) was instituted to develop new levels of understanding and access and advance the College's commitment to transparency and inclusion. We are proud of the differences we share, which are the foundation for the life changing and transformational education we offer and the social mobility we provide to the communities we serve.

HCCC has three campuses located just minutes from Manhattan: the Journal Square campus in Jersey City and North Hudson Campus in Union City are adjacent to vital transportation hubs; the Secaucus campus has abundant parking. Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists in the U.S. for the American Association of Community Colleges' (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association's Good Neighbor Awards in 2009 for the Culinary Conference Center, in 2012 for the North Hudson Campus, and in 2015 for the award-winning Gabert Library. In 2016 the Gabert Library was one of three academic libraries in the United States to receive the Excellence in Academic Libraries Award from the Association of College and Research Libraries (ACRL), and in 2019 the Tutoring Center received the Frank L. Christ Outstanding Learning Center Award for Two-Year Institutions. In 2019, the College joined Achieving the Dream as part of its expanding effort toward continuous improvement in student success.

HCCC has partnerships with every major four-year college and university in the greater New Jersey-New York area and beyond, accommodating seamless transfer of credits for further undergraduate and graduate education. Hudson County Community College is proud of its culture of care and invites applications from those wishing to join a community dedicated to promoting student success in all its forms.

Department/Division Introduction:

Reporting to the Associate Dean of Health Science and Technology, the Director of Practical Nursing will be responsible for the administration and instruction of students, provide advisement for students, assist in curriculum development and review, and participate in College and professional development activities. Candidate must be a Registered Professional Nurse in the State of New Jersey. The successful candidate will demonstrate an understanding of, and commitment to, the role of a comprehensive community college in an urban, multi-cultural setting.

Position Summary:

Position responsibilities include, but are not limited to the following:

- Licensed as a Registered Professional Nurse in the State of New Jersey.
- Master's degree in Nursing, Health Management or a closely related area.

- Minimum of five years teaching and administrative experience in a higher education setting, preferably a community college or hospital-based health education program.
- Ability to work effectively with others.
- Well-developed oral and written communication skills, including computer and information literacy.
- Demonstrated ability to interact with a culturally diverse population and to effectively and respectfully function and communicate within the context of varying beliefs, behaviors, orientations, identities, and cultural backgrounds.

Minimum Qualifications

Master's degree in Nursing with a minimum of five years teaching and administrative experience in a higher education setting, preferably in a community college or hospital-based health education program. Experience and interest in teaching adult students from diverse cultural and ethnic backgrounds are essential. Must have the ability to work effectively with others and have well-developed oral and written communication skills, including computer and information literacy.
