## Step 4:

- Select Receive notifications for verification.

### Additional security verification

Secure your account by adding phone verification to your password. [View video to know how to secure your account](#)

#### Step 1: How should we contact you?

Mobile app

How do you want to use the mobile app?

- Receive notifications for verification
- Use verification code

To use these verification methods, you must set up the Microsoft Authenticator app.

Set up

Mobile app has been configured for notifications and verification codes.

Next

## Step 5:

- Click on Set up and you will then get configure mobile app page.

### Configure mobile app

Complete the following steps to configure your mobile app.

1. Install the Microsoft authenticator app for Windows Phone, Android or iOS.
2. In the app, add an account and choose "Work or school account".
3. Scan the image below.

If you are unable to scan the image, enter the following information in your app.

Code: 917 867 155

Url: <https://cys01napad01.na.phonefactor.net/pad/995365275>

If the app displays a six-digit code, choose "Next".

## Step 6:

- On your phone's App Store, search for **Microsoft Authenticator app** and **download it**.

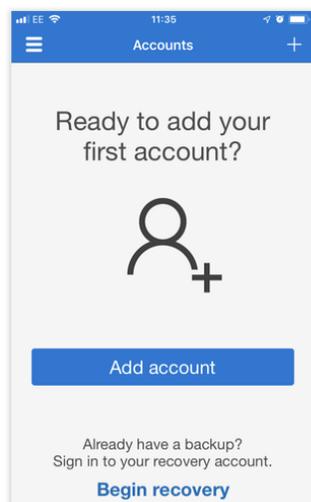

## Step 7:

- You will now see the app called Authenticator on your phone.

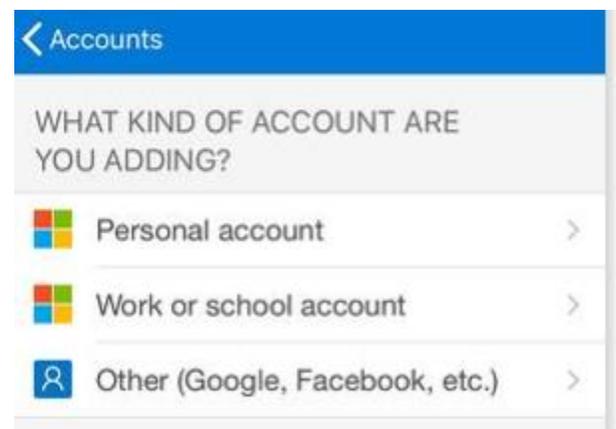

## Step 8:

- Skip any Intro screens the app may present until you get to the **Ready to add your first account?** Screen.

## Step 9:

- Click on Add Account and then Select work or school account.

## Step 16:

- Save your code in case the application does not support MFA.

### Additional security verification

Secure your account by adding phone verification to your password. [View video to know how to secure your account](#)

#### Step 4: Keep using your existing applications

In some apps, like Outlook, Apple Mail, and Microsoft Office, you can't use a phone to secure your account. To use these apps, you'll need to create a new "app password" to use in place of your work or school account password. [Learn more](#)

Get started with this app password:
