HCCC Foundation

Request for Proposals: Bookkeeping and Accounting Services

HCCC Foundation Overview

Through a multifaceted approach, the HCCC Foundation strives to unlock a better and brighter future for HCCC students by providing financial support made possible by donors, alumni, corporate and foundation partners, and community members. The HCCC Foundation identifies and secures funding that provides scholarships for students, seed money for new and innovative programs, support for faculty and staff development, funding for College priorities and capital projects, and resources to address the basic needs and insecurities of HCCC students inside and outside of the classroom. The HCCC Foundation's endowed and current-use funds enrich the Hudson experience and strengthen the College's capacity to serve students and the community for generations to come. Established in 1997, the HCCC Foundation has awarded approximately \$4 million in scholarships to more than 2,000 students. The Foundation administers a growing portfolio of endowed and current-use funds and supports scholarships, student success initiatives, academic programs, capital priorities, and other areas consistent with its charitable mission. The Foundation seeks a bookkeeping and accounting firm that will maintain accurate, timely, transparent, and audit-ready financial records; identify discrepancies and emerging concerns proactively; and provide Foundation leadership and the Finance Committee with clear information to support sound financial oversight and decision-making.

Scope of Work

Accounting Records and Systems

Maintain Financial Records: Establish and maintain accounts, post transactions, and ensure compliance with generally accepted accounting principles, applicable Financial Accounting Standards Board requirements, donor restrictions, Foundation policies, and federal and New Jersey nonprofit requirements.

Develop Accounting Systems: Review and maintain the chart of accounts and document bookkeeping policies, procedures, workflows, and internal controls appropriate for a nonprofit foundation with multiple endowed and current-use funds.

Manage Subsidiary Accounts: Verify, allocate, and post transactions and reconcile entries by fund, restriction, program, revenue source, and functional expense classification, as applicable.

General Ledger Management: Maintain the general ledger, prepare trial balances, reconcile subsidiary records, and investigate and resolve discrepancies promptly.

Historical Records Maintenance: Maintain organized, secure, and audit-ready financial records in accordance with the Foundation's document-retention policies.

Transaction Management: Input transactions, including receipts, disbursements, journal entries, investment activity, and account transfers, and import banking activity into QuickBooks.

Accounts Receivable: Prepare and monitor invoices and open accounts receivable and provide an aging report at least monthly.

Bank Reconciliations: Prepare monthly bank reconciliations for all accounts in QuickBooks and submit them for timely review by an individual who did not prepare or initiate the underlying transactions.

Document Maintenance: Maintain supporting documentation for all transactions and maintain an appropriate electronic document-retention and storage system.

Gift, Pledge, Fund, and Endowment Accounting

Track Financial Activities: Monitor and reconcile payments, deposits, donations, fundraising proceeds, grants, endowments, current-use funds, pledges, receivables, investment earnings, fees, distributions, and releases from donor restrictions.

Maintain complete and accurate pledge and accounts-receivable schedules, including the donor or responsible party, original commitment, amount received, outstanding balance, payment schedule, restriction, fund designation, due date, and age of the receivable. Provide a monthly aging report identifying overdue pledge payments, upcoming installments, discrepancies, and recommended follow-up. Promptly alert Foundation leadership to materially overdue pledges, missing documentation, unfulfilled endowed-fund commitments, or other circumstances that could affect the Foundation's ability to fulfill donor intent.

Foundation staff will manage donor communications and collection outreach. The accounting firm will identify outstanding obligations promptly, maintain accurate schedules, and provide Foundation staff with the information required for follow-up.

Maintain a complete accounting schedule of all endowed and current-use funds, including original gift value, additions, investment activity, distributions, available balances, donor restrictions, and applicable spending-policy calculations.

Perform and document a monthly reconciliation of gift and pledge information recorded in QuickBooks with Salesforce, gift agreements, bank records, and other relevant Foundation records. The Advancement Operations Manager will provide Salesforce reports and assist in resolving donor-record questions, with review by the Vice President for Advancement and Communications and Executive Director of the Foundation. Salesforce will remain the Foundation's system of record for donor and constituent information, while QuickBooks will remain the accounting system of record.

Financial Preparation and Donor Listings:

Assist in the preparation of financial statements and reports.

Produce accurate financial schedules by fund, gift type, restriction, campaign, and amount to support reconciliation, reporting, and donor stewardship. Foundation staff will maintain the authoritative donor and constituent records in Salesforce.

Annual Report Distribution: Prepare accurate fund-level financial information and annual financial reports for endowed-fund donors. Coordinate with Foundation staff regarding the review and distribution of these reports.

Donor Reporting: Prepare accurate financial information for reports to donors of endowed, purpose-restricted, and other donor-restricted funds, ensuring transparency and consistency with applicable gift agreements. Foundation staff will oversee the content and distribution of donor communications.

Acknowledgment Letters: Provide or confirm accurate gift information for acknowledgment letters, including gift date, amount, fund designation, payment method, and any applicable goods-and-services information. Coordinate with Foundation staff to ensure that acknowledgments are accurate and distributed promptly through approved systems and processes.

IRS Compliance: Review and confirm annually, in consultation with the Foundation's auditors or tax professionals as necessary, that the tax-related language used in charitable gift acknowledgments complies with IRS requirements.

Donor-Advised Fund Contributions

Confirm that the Foundation has the financial and administrative information needed to receive grants from donor-advised fund sponsoring organizations, including its correct legal name, federal tax identification number, address, charitable status, and banking information.

Accurately record and reconcile all contributions received from donor-advised funds and maintain appropriate supporting documentation. Ensure that the sponsoring organization is recorded as the legal donor while preserving information about the individual who recommended the grant in Salesforce for appropriate acknowledgment and stewardship.

Provide Foundation staff with the accurate information needed to acknowledge and steward donor-advised fund contributions in accordance with applicable IRS requirements. The selected firm will not be responsible for establishing or administering a Foundation-sponsored donor-advised fund program unless separately authorized by the Foundation Board following appropriate legal, tax, financial, and administrative review.

Financial Reporting and Analysis

Prepare Financial Reports: Collect, analyze, and summarize financial information and trends.

Financial Reporting: Prepare monthly balance sheets, profit and loss statements, and other financial reports that include current-period and year-to-date results compared with:

- The approved annual budget
- The same period in the prior fiscal year
- At least three prior fiscal years, with longer-term comparisons when reliable historical data are available
- Annual fundraising and revenue goals established by the Foundation

Reports must clearly indicate whether the Foundation is ahead of, behind, or on track relative to its approved budget, prior-year performance, and annual revenue goals. The firm must identify and explain material variances, unusual transactions, emerging trends, and matters requiring attention.

Maintain historical financial information in a manner that allows the Foundation to produce consistent year-over-year and multiyear comparisons without rebuilding reports each year.

Prepare timely monthly financial packages that include, at minimum:

- Statement of financial position
- Statement of activities
- Budget-to-actual report
- Current- and prior-year revenue comparisons
- Cash and investment summary
- Accounts-receivable and pledge-aging report
- Endowed and current-use fund-balance report
- Summary of material variances, unusual activity, and recommended follow-up

Prepare quarterly financial packages suitable for review by the Finance Committee and Board of Directors. Reports must clearly distinguish endowed, current-use, donor-restricted, and without-donor-restriction activity.

Report Automation: Create and automate reports to analyze fiscal- and calendar-year results while maintaining appropriate review controls and data integrity.

Reporting: Secure, verify the accuracy of, and distribute financial reports to authorized Foundation staff, officers, committees, auditors, investment advisors, and other approved stakeholders.

Cash, Reserves, and Liquidity Monitoring

Prepare a monthly cash and liquidity report showing balances by bank and investment account, restricted and unrestricted cash, known near-term obligations, and the approximate number of months of operating expenses represented by available unrestricted reserves.

Identify and promptly report cash balances that materially exceed anticipated operating or liquidity needs, funds held in low-yield accounts for extended periods, unusual account concentrations, and other matters requiring review by Foundation leadership or the Finance Committee.

At least quarterly, provide Foundation leadership and the Finance Committee with a schedule comparing cash and reserve balances, current earnings, liquidity needs, and, once adopted, the targets established in the Foundation's reserve policy.

The accounting firm will not make investment decisions or transfer funds without authorization. Its responsibility is to provide accurate information and timely exception reporting so Foundation leadership, the Finance Committee, and the Board can make informed decisions.

Investment Accounting

Reconcile investment statements to the general ledger at least monthly and accurately record investment income, realized and unrealized gains and losses, fees, transfers, contributions, and distributions.

Prepare the financial schedules needed to monitor the Foundation's endowment spending policy and report inconsistencies, unusual activity, or potential policy concerns promptly to Foundation leadership.

Collaborate with the Foundation's investment advisor and provide or obtain the financial information required for accurate accounting and reporting. Investment management and evaluation of investment performance will remain the responsibility of the Foundation, its Finance Committee, Board of Directors, and appointed investment advisor.

Art Collection and Fixed Assets

Inventory and Fixed Assets: Maintain the financial accounting schedule for Foundation-owned artwork and other Foundation-owned fixed assets. The schedule should include ownership, recorded cost or value, additions, disposals, transfers, and other information required for the Foundation's financial statements and audit.

Distinguish Foundation-owned artwork from artwork owned by the College and reconcile the Foundation's financial schedule with the official collection inventory maintained by the designated College or Foundation staff. The bookkeeping firm will not be responsible for maintaining the complete curatorial or physical inventory of the art collection.

Post applicable fixed-asset activity and depreciation to QuickBooks.

Audit, Tax, and Regulatory Compliance

Conduct Audits and Manage Filings: Provide complete, accurate, organized, and timely records, workpapers, reconciliations, and supporting schedules to the Foundation's independent auditing firm.

The independent auditing firm, which is separate from the bookkeeping firm, will conduct the annual audit and prepare Form 990. The bookkeeping firm will support those processes, respond promptly to requests, prepare necessary schedules, and assist in resolving questions or discrepancies.

Support the timely completion of the New Jersey Charitable Registration, New Jersey annual report, and other required federal, state, corporate, financial, or charitable filings for which the bookkeeping firm is assigned responsibility.

Legal Compliance: Monitor accounting and reporting requirements applicable to nonprofit organizations and advise Foundation leadership promptly of relevant changes, compliance risks, filing deadlines, or recommended corrective action. The firm will not be expected to provide legal advice unless separately qualified and engaged to do so.

Compliance Monitoring: Create and maintain a comprehensive compliance calendar covering all recurring federal, state, corporate, charitable-registration, insurance, tax, financial, and other required filings, registrations, licenses, renewals, and fees for which the Foundation is responsible.

The calendar must identify each requirement, responsible party, due date, renewal frequency, fee, payment status, filing status, supporting documentation, and confirmation of completion. Provide reminders at least 60 and 30 days before each deadline and immediately notify Foundation leadership of any item at risk of becoming overdue.

Review the compliance calendar with Foundation leadership at least quarterly. Provide an annual summary of filings, registrations, renewals, and fees completed during the fiscal year and identify any outstanding items.

Quality Control and Accountability

Maintain financial records and reports that are complete, accurate, internally consistent, and supported by appropriate documentation. Foundation leadership should not routinely be required to identify basic bookkeeping errors, reconcile conflicting balances, locate missing transactions, or initiate correction of matters that should have been identified through the firm's normal review procedures.

Maintain an internal quality-control process under which monthly reconciliations, financial statements, pledge schedules, fund balances, investment activity, and compliance reports are reviewed by a qualified individual other than the person who prepared them.

Investigate promptly any error or discrepancy identified by the firm, Foundation staff, the independent auditor, or another authorized party. Document the cause, financial effect, corrective entry or action, date resolved, and any process change needed to prevent recurrence.

Repeated errors, missed deadlines, unreconciled balances, unsupported entries, or failure to identify materially overdue obligations may be considered deficiencies in performance.

Fraud Monitoring: Review bank activity for fraud weekly and immediately notify designated Foundation leadership of suspected fraud, unauthorized activity, or material control concerns.

Review existing financial controls and recommend appropriate segregation of duties for cash receipts, deposits, gift entry, invoice approval, disbursements, electronic payments, bank reconciliations, investment transfers, and financial reporting.

Process Improvement and Procedures

Process Improvement: Recommend ways to streamline and automate gift recording, processing, reconciliation, acknowledgment, bill payment, fund accounting, compliance monitoring, and financial reporting while preserving appropriate approvals and internal controls.

Standard Operating Procedures: Establish and maintain SOPs for document retention, destruction, and online storage, as well as recurring accounting workflows, monthly and annual closing, gift and fund reconciliation, accounts payable, accounts receivable, electronic payments, and compliance monitoring. Review and update the procedures annually.

Staff Training: Provide annual training for one to four staff members on financial workflows, internal controls, documentation requirements, fund restrictions, and the appropriate use of QuickBooks and related systems.

Petty Cash System: If the Foundation maintains petty cash, establish and manage the system in accordance with a written policy that addresses the authorized amount, permitted uses, required receipts, reconciliation, replenishment, and independent review.

Meeting Participation

Team Contribution: Attend all regularly scheduled Foundation Finance Committee and Board of Directors meetings, currently anticipated to include three Finance Committee meetings and three Board meetings annually.

The firm may participate virtually and is not required to remain for the entire meeting unless requested. The firm must be available to present financial reports, explain material variances, answer questions, and identify overdue receivables, unusual balances, compliance deadlines, control concerns, and recommended follow-up.

Participate in other reasonably necessary meetings with Foundation leadership, the independent auditor, investment advisor, and authorized College representatives.

Required Deliverables

At a minimum, the selected firm will provide:

- Monthly bank, investment, and subsidiary-account reconciliations
- Monthly financial statements and budget-to-actual reports
- Monthly current-year, prior-year, and multiyear revenue comparisons
- Monthly pledge and accounts-receivable aging reports
- Monthly endowed and current-use fund-balance reports
- Monthly QuickBooks-to-Salesforce reconciliations
- Monthly cash, reserve, and liquidity reports
- Quarterly Finance Committee- and Board-ready financial packages
- Annual endowment and donor-restricted fund schedules
- Audit- and Form 990-ready year-end workpapers and supporting schedules
- An updated compliance calendar with advance reminders
- Current accounting procedures and internal-control documentation
- Prompt written notification of material errors, suspected fraud, overdue obligations, compliance concerns, control deficiencies, unusual financial activity, or significant financial risks

Charity Ratings and Public Reporting

Charity Ratings Improvement:

Ensure that financial information supplied for Charity Navigator, Candid/GuideStar, and other nonprofit-transparency platforms is accurate, timely, and consistent with the Foundation's audited financial statements, Form 990, and internal records.

Identify missing financial information, reporting inconsistencies, or accounting practices that may adversely affect the Foundation's ratings or public profile. Recommendations must

prioritize accurate reporting, sound governance, and financial transparency rather than pursuing a rating independent of those objectives.

Provide accurate financial information to the Communications department so it may determine whether and how ratings, transparency measures, and financial results should be used in marketing, donor communications, and media relations.

Qualifications and Required Skills

Must adhere to GAAP rules and have extensive experience in nonprofit accounting, grants, endowment and fund accounting, donor restrictions, pledge accounting, investment reconciliation, and subaccount reconciliation.

Deep knowledge of current FASB accounting standards applicable to nonprofit entities, including contributions, conditional contributions, donor restrictions, endowments, functional expenses, and investment activity.

Experience working with nonprofits, foundations, fundraisers, independent auditors, investment advisors, Finance Committees, and volunteer boards.

Expert knowledge of QuickBooks and Microsoft Excel, including maintaining fund-level records, appropriate user permissions, audit trails, and reliable financial reporting.

Knowledge of or willingness to learn Salesforce nonprofit CRM solutions for data integration, donor management, financial reporting, automation, security, and compliance. Experience reconciling a donor CRM with an accounting system is strongly preferred.

Demonstrated experience preparing audit workpapers and supporting Form 990, New Jersey charitable-registration, and nonprofit corporate-compliance requirements.

Appropriate professional credentials and sufficient staffing capacity to ensure continuity of service. CPA credentials are strongly preferred for the partner or principal responsible for the engagement.

Demonstrated safeguards for confidential donor and financial information, including secure file exchange, role-based access, multifactor authentication, data backup, and incident-response procedures.

Ability to explain financial information clearly to Foundation staff, officers, Finance Committee members, and Board members who may not have accounting backgrounds.

Additional duties as required by the Vice President for Advancement and Communications and Executive Director of the Hudson County Community College Foundation, provided that such duties are consistent with the engagement, the firm's professional qualifications, and the agreed-upon fee structure.

Engagement Term

The anticipated engagement term is one year, subject to satisfactory performance, availability of funds, and required Foundation approvals. Any renewal or extension will be at the Foundation's discretion.

The Foundation will evaluate performance based on accuracy, timeliness, responsiveness, quality of analysis, completion of required filings and renewals, effectiveness of internal review, resolution of discrepancies, proactive identification of concerns, and the usefulness of reports provided to Foundation leadership, the Finance Committee, and the Board of Directors.

Termination by the College of the contract does not absolve the contractor from potential liability for damages caused by the College by the contractor's breach of this agreement. The College may withhold payment due the contractor and apply the same towards damages once established. The College will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

AMERICANS WITH DISABILITIES ACT

Equal Opportunity for Individuals with Disability

The contractor must comply with all provisions of the Americans with Disabilities Act (ADA), P.L 101-336, in accordance with 42 U.S.C. S121 01 et seq.

The contractor and the College (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
