Each respondent submitting a proposal for a service contract shall include in his proposal price all labor, materials, equipment, services, and other requirements necessary, or incidental to, the completion of the work, and other pertinent work as hereinafter described, in accordance with the proposal specifications and documents.

23. FALSE MATERIAL REPRESENTATION – N.J.S.A. 2C:21-34-97(b)/TRUTH IN CONTRACTING

A person commits a crime if the person knowingly makes a material representation that is false in connection with the negotiation, award or performance of a government contract. If the contract amount is for $25,000.00 or above, the offender is guilty of a crime of the second degree. If the contract amount exceeds $2,500.00 but is less than $25,000.00, the offender is guilty of a crime of the third degree. If the contract amount is $2,500.00 or less, the offender is guilty of a crime of the fourth degree.

Respondent should be aware of the following statutes that represent "Truth in Contracting" laws:

- N.J.S.A. 2C:21-34, et seq. governs false claims and representations by bidders. It is a serious crime for the bidder to knowingly submit a false claim and/or knowingly make a material misrepresentation.

- N.J.S.A. 2C:27-10 provides that a person commits a crime if said person offers a benefit to a public servant for an official act performed or to be performed by a public servant, which is a violation of official duty.

- N.J.S.A. 2C:27-11 provides that a bidder commits a crime if said person, directly or indirectly, confers or agrees to confer any benefit not allowed by law to a public servant.

- Bidders/respondents should consult the statutes or legal counsel for further information.

24. FORCE MAJEURE

Neither party shall be liable in damages for any failure, hindrance or delay in the performance of any obligation under this Agreement if such delay, hindrance or failure to perform is caused by conditions beyond the control of either party, including, but not limited to, Acts of God, flood, fire, war or the public enemy, explosion, government regulations whether or not valid (including the denial or cancellation of any export or other necessary license), court order, state funding, or other unavoidable causes beyond the reasonable control of the party whose performance is affected which cannot be overcome by due diligence.

Vendors, and/or contractors who have a contract with the College to provide goods or services cannot unilaterally claim an increase in the cost of the contract because of Force Majeure.

25. GENERAL CONDITIONS

- **Authorization to Proceed -- Successful Vendor/Contractor**

No service shall be rendered by the successful contractor unless the vendor/contractor receives an approved purchase order authorizing the vendor/contractor to render the service.

- **Award of Contract**

It is the intention of the College to award the contract to the respondent(s) whose response is the most advantageous to the College, price and other factors considered, and who will provide the highest quality service at fair and competitive prices. The College reserves the right to award contracts to multiple contractors when it is in the best interests of the College. The College also reserves the right to conduct interviews with any proposer. The criteria used by the College to evaluate proposals is set forth in the Technical section of the RFP.

- **Return of Contract Documents—when required**

Upon notification of award of contract by the College, the contractor may be required to sign and execute a formal contract with the College that will incorporate the terms and conditions of this RFP.

- **Purchase Order—considered to be a contract. N.J.S.A. 18A:18A-2 (n)**

If a formal contract is not required by the College, an approved and signed College Purchase Order will constitute a contractual agreement.

When a formal contract is required, the contractor shall sign and execute said contracts and return the contracts with other required documents to the Office of the School Business Administrator/College Secretary. Failure to execute the contract and return said contract and related documents within the prescribed time may be cause for a delay in payment for services rendered or products received or the annulment of the award by the College with any financial security becoming the property of the College. The Contract shall incorporate the terms and conditions of this RFP. The College reserves the right to accept the proposal of the next lowest responsible respondent.

- **Term of Contract**

The successful respondent, to whom the contract is awarded, will be required to do and perform the work/services and to provide and furnish the materials in connection therewith in accordance with the plans and specifications on or before the date listed in the Technical Specifications.

- **Purchase Order Required; Notice to Proceed**

No contractor or vendor shall commence any project or deliver any goods until he is in receipt of an approved purchase order authorizing work to begin or goods to be delivered.

Additional Provisions

- The College reserves the right to waive any informalities in any proposal as may be permitted by law.

- In addition to the other indemnification provisions set forth herein, the successful proposer should also be prepared to indemnify the College for intellectual property infringement and similar claims (including those set forth in item 27, below).
- The College may rank higher any proposal that does not limit the types and amounts of damages available to the College.
- The contract between the College and the Successful Proposer shall be governed by New Jersey law without regard to New Jersey's conflicts of laws rules or principles. The College will not consent to the law of any other state or jurisdiction.
- All disputes between the College and the Successful Proposer arising out of, or relating to this RFP, the contract between the College and the Successful Proposer, or the services provider thereunder, shall be subject to the exclusive jurisdiction of the Superior Court of New Jersey, venued in Hudson County, New Jersey. The College will not consent to jurisdiction in any other State or jurisdiction.
- The College will not agree to any contract provision that entitles the Successful Proposer to attorney's fees, collection costs, or other related costs or fees. The College will consider contract provisions that include a penalty (not to exceed 1% per month) for failure to timely pay undisputed fees.
- The contract between the College and the Successful Proposer shall include a provision to allow the College to dispute any fees charged by the Successful Proposer.
- Proposers are advised that HCCC is a New Jersey public entity and is bound by certain laws and rules relating to the disclosure of documents, including, without limitation, New Jersey's Open Public Records Act. The College cannot agree to any confidentiality provision that is in contravention to OPRA or the College's obligations in connection with the disclosure of records or other documents.
- Proposers are advised that HCCC cannot agree to any contract term that involves an automatic renewal or extension. Any contract entered into as a result of this RFP shall expire upon the end of its term.
- Proposers are also advised that pursuant to law, in the event of a multi-year contract, each subsequent year shall be subject to the appropriation, annually, of sufficient funds by the College to meet the extended obligation.

26. LIABILITY – COPYRIGHT

The contractor (vendor) shall hold and save the College, its officials and employees, harmless from liability of any nature or kind for or on account of the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of his contract.

27. PRESENTATION AND INTERVIEWS

The College may at its option, require providers of its choice to attend interviews and make presentations to College officials. This process may only take place after proposals have been opened and reviewed and prior to the completion of the evaluation.

28. TERMINATION OF CONTRACT

If the College determines that the contractor has failed to comply with the terms and conditions of the proposal upon which the issuance of the contract is based or that the contractor has failed to perform said service, duties and or responsibilities in a timely, proper, professional and/or efficient manner,

then the College shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the College of the contract does not absolve the contractor from potential liability for damages caused by the College by the contractor's breach of this agreement. The College may withhold payment due the contractor and apply the same towards damages once established. The College will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The contractor further agrees to indemnify and hold the College harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement.

29. WITHDRAWAL OF PROPOSALS

- Before The Proposal Opening

The School Business Administrator may consider a written request from a respondent to withdraw a proposal if the written request is received by the School Business Administrator before the advertised time of the proposal opening. Any respondent who has been granted permission by the School Business Administrator to have his/her proposal withdrawn cannot re-submit a proposal for the same advertised proposal project. That respondent shall also be disqualified from future proposals on the same project if the project is re-advertised.

- After The Proposal Opening

The College may consider a written request from a respondent to withdraw a proposal, if the written request is received by the School Business Administrator within five (5) business days after the proposal opening. A request to withdraw a proposal after the specified number of days will not be honored.

The contractor/vendor who wishes to withdraw a proposal must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or an unintentional omission or both.

The request to withdraw a proposal after the proposal opening may be reviewed by the School Business Administrator, the Director of Facilities, other interested administrators' and the Architect of Record for the project (if necessary) and/or the College Attorney and a recommendation will be made to the College. If the College grants permission to have the proposal withdrawn the contractor/vendor shall be disqualified from quoting on the same project if the project is re-advertised. If the contractor/vendor fails to meet the burden of proof to have the proposal withdrawn, the request to withdraw the proposal will be denied and if the contractor/vendor fails to execute the contract the bid guarantee will be forfeited and become the property of the College.
