

Addendum  
Project No.

Addendum No. #1  
Bid No. 21-08-05 Solid Waste Disposal  
September 2, 2021

Question # 1 – on tem # 1 on the price sheet, what type of debri and trash will be placed? Is it just trash and/or construction materials.

Answer - Mostly trash and occasionally some construction material that is generated from in house projects. The construction material will be from small projects.

Question #2 Item # 2 & 3 on the price sheet is it trash only?

Answer - Mostly trash and occasionally some construction material that is generated from in house projects. The construction material will be from small projects.

Question #3 Item # 4 & 5 on the price sheet is it trash only?

Answer - Mostly trash and occasionally some construction material that is generated from in house projects. The construction material will be from small projects.

Question #4 is this single stream— bottles, cans, cardboard, paper, glass?

Answer- Bottles, cans, cardboard, paper, glass, electronic equipment, light bulbs and paint are all recycled through the Jersey City Improvement Authority. There are no fees associated with the recycling program, The college takes over all recycled materials to their designated facilities.

Thank you.
