

Hudson County Community College is honored to be able to provide educational opportunities and services to the women and men who serve and have served the United States as members of our armed forces. Assistance to service members is available through the College's Veterans Affairs Advisor, who provides information about taking courses at the College, and who helps in applying for benefits, certifying enrollment, and maintaining accurate student-status records. The HCCC Veterans Affairs Advisor may also refer service members pursuing their education here to the College's many counseling and advisement departments.

In order to process benefits, veterans must supply the HCCC Veterans Affairs Advisor with proper documentation.

SERVICE MEMBERS' ADMISSION PROCESS

To apply

- 1. Complete the Application for Admission.
- 2. Only if using National Guard: Visit the College's Financial Aid Department. National Guard members are required to apply for Financial Aid. If denied, National Guard members may use the Commander's Certification Form and submit their high school diploma, transcript, or official GED scores to the HCCC Veterans Affairs Advisor.
- 3. Supply the official transcript(s) from all colleges you previously attended, including any military transcripts.
- 4. Provide immunization records for first and second MMR and Hepatitis B.
- 5. Take the College Placement Test (CPT) at the HCCC Testing and Assessment Center. Those who have completed college course work, or have taken the SAT or ACT, may be exempt from taking the CPT. For details, visit the Testing and Assessment web page for testing exemption criteria, testing schedules, and sample tests.
- 6. Visit with an advisor in the Center for Academic and Student Success (CASS).

RECEIVING YOUR WRITTEN REGISTRATION FORM

Service members should also be prepared to provide copies of the following documents: Commander's Certification and Notice of Basic Eligibility (if applicable). You will need to complete Enrollment Certification and Application for Educational Benefits. (Continuing students only need to complete the Enrollment Certification.)
