

BAKESHOP I

CAI 119**Bakeshop I****2.0 UNITS**

An introduction to the preparation of basic quick breads, rolls, breakfast items, and basic desserts, including various icings and butter cream, puddings, cakes, cookies, and pies. Students will gain skills in the preparation of pie crusts, pie washes, and pie fillings. Emphasis will be placed on the understanding and use of ingredients, weights and measures, tools, and equipment used in the bakeshop.
