MLI 101**Basic Italian I****3.0 UNITS**

Basic Italian provides students with an introduction to the Italian language and culture through a competency-based approach. Pronunciation and vocabulary are emphasized through guided student interactions with one another and with the instructor. Cultural awareness and grammar are integrated as students progress through the course. *This course is not open to, or designed for, Italian heritage speakers. Heritage speakers are encouraged to enroll in or an alternate modern language course such as Spanish, French, or American Sign Language, etc.
