**PRACTICAL NURSING: FUNDAMENTALS OF NURSING PRACTICE**

---

**PNU 101****Pn: Fundamentals of Nursing Practice****6.0 UNITS**

This introductory nursing course presents basic nursing concepts and skills. The focus is on wellness and disease prevention. Using Maslow's Hierarchy of Needs, concepts basic to physical, psychological, sociocultural, developmental, and spiritual needs are presented. Clinical experiences are provided in varied sites caring for adult and geriatrics clients. These sites include hospitals and nursing homes.
