

Thank you for being part of our 28th Annual HCCC Foundation Gala on December 4th!

Over 220 guests joined us for an unforgettable evening celebrating culinary excellence, our college's 50th anniversary, and honoring Provident Bank and Horizon Blue Cross Blue Shield, two steadfast supporters of HCCC and its mission.

Together we raised nearly \$250,000 and sold an additional \$5,700 of **50th Anniversary raffle tickets** to support student scholarships and other initiatives that will enrich the lives and learning experiences of our students. Your generosity is shaping futures and transforming lives. We are deeply grateful for your support, at the Gala and always.

Though the Gala has passed, it is not too late to make a difference in 2025. A year-end gift to the HCCC Foundation helps expand access to education, strengthen programs like Hudson Scholars, and more. **Please make a year-end gift today.**

From all of us at the Hudson County Community College Foundation—and the students whose futures you help shape—thank you for your continued support.
