

Welcome to ACUE at Hudson County Community College

Hudson County Community College and ACUE are partnering to bring faculty and staff high-quality and research-backed professional learning courses.

Through an engaging learning design and guided by expert facilitation, course takers will learn practices that can be implemented with students right away. These evidence-based practices have been shown to increase student retention, strengthen belonging and achievement, and close equity gaps. ACUE's courses are consistently rated as engaging and relevant by faculty and staff nationwide and lead to the only nationally recognized Certification in Effective Teaching Practices or Effective Online Teaching Practices.

The new **ACUE Complete** course allows faculty to enroll five times during the year and use their micro-credentials to acquire national certification. New faculty are encouraged to enroll as well using the following link:

<https://portal.acue.org/pages/hudsonccc>

New and returning faculty must enroll by the deadlines below for upcoming cohorts. The system will recognize if you are returning faculty member and show you courses that will lead to the certification.

- All Certification courses contain alternative content
- All Certification courses contain nursing content
- Courses are 8 weeks in length for Certification courses.

The next enrollment deadline dates are:

May 18, 2026 Starts June 1, 2026
August 10, 2026 Starts August 24, 2026
October 5, 2026 Starts October 19, 2026

Kindly, contact me if you have questions.

Thank you,
Dr. Paula Roberson
Director, Center for Teaching, Learning, and Innovation

MISSION STATEMENT:

Hudson County Community College provides its diverse communities with inclusive, high-quality educational programs and services that promote student success and upward social and economic mobility.

Email Invitations

From: ACUE Support <support@acue.org>
Subject: Welcome to the ACUE Commons!

Welcome to the ACUE Commons!

You have a new membership to the **ACUE Commons**, and we're so excited to have you join us.

The ACUE Commons is an exclusive community where you can:

- access the growing library of Quick Study courses in the ACUE Learning Lab,
- connect with peer educators*,
- attend exclusive events*, and
- continue to access trusted ACUE course content from your completed courses*.

To get started, complete your account set up by using the link below to set your password. Then, you'll be able to jump right in!

Quick Studies

Your faculty stay ahead of the curve with:

- A highly curated library of onehour selfpaced Quick Studies built on ACUE's Effective Teaching Framework.
- Continuous advancement for every instructor at every stage of their career.

Artificial Intelligence in Higher Education

- Introduction to Generative AI
- Writing Effective AI Prompts
- Leveraging AI to Develop Course Resources
- Empowering Students to Use AI Responsibly
- Transforming Assignments in the Age of AI
- Teaching with AllInclusive and AIResistant Learning Experiences

Facilitating Deliberative Dialogue

- What is Deliberative Dialogue?
- Designing a Deliberative Dialogue
- Preparing Students for Deliberative Dialogue
- Launching a Deliberative Dialogue
- Holding a Deliberative Dialogue

Preparing CareerReady Students

- Embedding Career Guidance into Your Course
- Connecting with Alumni and Peers
- Connecting Course Goals to Career Readiness
- Preparing Students for Experiential Learning

Enhancing Courses & Assessments

- Designing Authentic Tasks and Assessments
- Integrating Open Educational Resources
- Fostering Connections: Implementing Learning Communities in Your Course

Essential Student Skills & Literacies

- Developing Students' Critical Thinking and Analytical Skills
- Developing Students' Media Literacy
- Establishing a Culture of Constructive Conversations

Student Support & WellBeing

- The Wellness Lens: Supporting Student Mental WellBeing
- Teaching Neurodivergent Students: Classroom Strategies That Support All Learners
