Welcome to the HCCC Local Business Guide!

We're proud to present the inaugural edition of this guide as a celebration of the vibrant businesses that support our College community. A heartfelt thank you goes out to all the local business owners and partners who have contributed to making this guide possible.

These businesses not only strengthen the local economy and enrich the student experience here at HCCC, their support of this guide makes it possible for students from our area to pursue their educational and professional goals as proceeds fund scholarships for students in need. They are our partners in building a great community here in Hudson County.

We encourage students, faculty, staff, and visitors alike to explore the amazing goods, services, and experiences offered right here in our own neighborhood. Whether you're grabbing a coffee or a slice between classes, looking for a place to study or socialize, or in need of professional services, the businesses featured in this guide are here for you. Supporting them means investing in the heart of our community and making it an even better place to live, work, and learn—so take a look, stop by, and thank them for being part of the HCCC family.
