Exhibitions

SEPTEMBER 13

Dineen Hull Gallery Turns Five! [Flickr](#)

HCCC's Dineen Hull Gallery opened its doors to the public on September 13, 2015. The Department of Cultural Affairs pays tribute to all involved through our favorite moments over the years.

OCTOBER 1 - 22

Anne Frank: A Private Photo Album [FREE VIRTUAL GALLERY TOURS](#)

Presented by The President's Advisory Council on Diversity, Equity & Inclusion in partnership with the Anne Frank Center USA. As an amateur photographer, Otto Frank had a single theme: his daughters, Anne and Margot. Nothing we see in Mr. Frank's photos reveals the horrors the family will soon endure. The exhibition consists of over fifty reproduced photographs, many of which are seldom on public display. For more information on free virtual gallery tours, email: gallery@hccc.edu.

NOVEMBER 2 - 20

Electoral Electric [Flickr](#)

Curated by Michelle Vitale. Politics as usual? Black Lives Matter Movement, COVID-19, and gun control issues swarm the 2020 Presidential election and are key topics for battleground states. *Electoral Electric* artists create digital homages to top election discussion. Artists include Tricia McLaughlin, Orit Ben-Shitrit, John Sims, among others.

DECEMBER 1 - 18

Student Art Exhibit [Flickr](#)

Curated by Laurie Riccadona & Jeremiah Teipen. The HCCC Art Department offers a wide variety of classes in computer and fine arts taught by professional artists living in the New York metro area. HCCC celebrates the artistic talents of our community with a bi-annual student exhibition in the Dineen Hull Gallery. Celebrate the end of the fall season with us!
