# Hudson County Community College Culinary Arts Plaza

Inscribed bricks will be installed in the plaza area shown in the picture below. It is the transition area between the circular plaza at the entrance of the Culinary Arts Institute and the gated student garden. The Hudson County Community College Foundation is offering inscribed bricks to the public for the prices listed inside. Each letter is engraved ¼" deep into the brick and epoxy coated. All bricks are manufactured by Unilock.

The Hudson County Community College Foundation is a 501 (c) 3 corporation giving tax-exempt status to contributors. Founded in 1997, the Foundation generates financial support to benefit deserving Hudson County Community College students with scholarships. It also provides seed money for new programs, faculty development and the College's physical expansion. In the 2009-2010 academic year, the Foundation awarded 100 scholarships totaling more than \$150.000.
