HUDSON SCHOLARS

Hudson Scholars is a nationally distinctive, innovative program designed specifically for new HCCC students offering a broad range of one-on-one support to aid students in their transition to HCCC and promote their persistence.

Students receive personalized advisement and support, make connections with other students through campus activities and events, and earn stipends for reaching academic milestones. Hudson Scholars who met with their counselors monthly are 99% more likely to return the following semester. Students who participated in Hudson Scholars passed 90% of their classes in their first year at HCCC. To date, 2,000 HCCC students have benefited from this program. The success of Hudson Scholars earned the League for Innovation in the Community College's 2021-22 Innovation of the Year Award.

As HCCC President Dr. Christopher Reber puts it, "The Hudson Scholars Program is a point of pride for all in our HCCC Family. It is the result of the College community's collective commitment to the success of our students made possible through transformational and life-changing opportunities, and personal support and engagement. Hudson Scholars inspire us all with their dedication, commitment, and success. They are living manifestations of our College's Mission."

ELLUCIAN FOUNDATION'S SUPPORT

Hudson Scholars is poised for expansion. Thanks to Ellucian Foundation's endowment investment, Hudson Scholars will amplify capacity-building efforts, leaving room for us to retain our existing Hudson Scholars academic counselors, explore the possibility of expanding this program to serve second-year students, and support marketing efforts. We thank Ellucian Foundation for investing in our students' success!

Over the years, the Hudson County Community College Foundation has awarded more than 2,000 scholarships totaling \$2 million to deserving students. Additionally, students benefit each year from the hundreds of Book Vouchers and Knife Vouchers (for culinary students) supplied by the Foundation. Each year, the Foundation provides \$40,000 to assist students with course materials.

The Foundation has also been the driving force behind the establishment of the College's Permanent Art Collection, and has acquired more than 1,750 pieces of fine artwork that is utilized for teaching, as well as for the general enjoyment of the College and our community. It has supported a Life Skill College transitional program for 70 students, helping students to pass the College Placement Test, and purchased more than 678 books through a Literacy Grant for the College Library.
