

Dear Friend,

Since 2004, our Night at the Races event has hosted friends, families, colleagues, and organizations from many different parts of the county and the state. Our many supporters have one common drive:

Help the students at HCCC achieve their dream of a college education.

Nearly 80% of HCCC students rely on financial assistance for their education and most have unmet financial needs.

The generosity of our supporters helps the Foundation raise \$2 million in funds annually to provide our students with the best chance to achieve their potential.
