

Your SHOT at \$200!

ATTENTION STUDENTS:

The **CDC** recommends everyone ages 6 months and older be fully vaccinated against COVID-19. Booster shots are recommended for everyone ages 5 years and older.

Students who are fully vaccinated will receive \$100 and students who are boosted will receive another \$100.

Who is eligible?

If you are registered for credit classes this summer or fall, you are eligible no matter how you are taking your classes (on-ground, remote, online). If you are registered for Continuing Education or Workforce Development classes this summer or fall, you are eligible if any of your classes are on campus.

How does it work?

It's simple! If you are registered for the summer or fall semester, submit proof of your Vaccine and/or Booster Shot at: <https://tinyurl.com/VaccineatHCCC>
Once verified, students who are signed up for direct deposit will receive \$100- \$200 in their bank account, and other students will receive a check in the mail for \$100-\$200.

What if I received the \$100 for being fully vaccinated and now have my booster?

Please upload your card, showing your booster shot, and you will receive the additional \$100.

What if I already received \$200?

Students who already received the full incentive amount are not eligible for an additional incentive.

What if I never submitted my full vaccination for the first \$100 incentive?

No problem! If you upload all vaccination and booster shots now, you will get \$200!

How do I know if I am eligible to receive my Booster Shot?

Please refer to the [CDC Guidance](#).
