and congratulate our graduates!**

A MESSAGE FROM THE PRESIDENT

Christopher M. Reber, Ph.D., College President

To the HCCC Class of 2019-2020 Graduates: Your big day has finally arrived, and we are honored to be able to share it with you!

As president of Hudson County Community College it has been my privilege to become acquainted with many of you. I have learned about your dreams, the roadblocks you've encountered on the journey to this day, and I have found your passion, perseverance, and persistence inspiring. John Quincy Adams wrote: "If your actions inspire others to dream more, learn more, do more and become more, you are a leader." That appropriately describes you!

The trustees, faculty, administration, and staff join me in celebrating you, your families, and all who assisted you in achieving this milestone in your educational and life journey. We know that as you continue to advance in your studies and careers, you will take what you achieve and use it to better your own lives and those of others.

We are very proud of all of you! Remember that Hudson County Community College is your home, and we consider you family.

Best wishes for a wonderful future!

A handwritten signature in blue ink, appearing to read "Chris".

Christopher M. Reber
President
Hudson County Community College

A MESSAGE FROM THE BOARD OF TRUSTEES

William J. Netchert, Esq., Chairman

It is my honor to extend heartfelt congratulations to the HCCC Class of 2020 from the Hudson County Community College Board of Trustees!

Your elected representatives entrusted our Board with the responsibility of looking after your interests and those of the College. As a result, we invest in providing you with resources to assist you in attaining your higher education and lifetime dreams; namely, qualified and caring faculty and staff; courses relevant to today's world; facilities that are comfortable, safe, and easily accessed; state-of-the-art technologies; cultural programs and events that enrich your thinking; assistance to ease your financial burdens; and linkages to opportunities that will serve you well into the future.

Seeing all of you at today's Commencement ceremonies, I'd say that the return on our investment is excellent! We are very proud of you and hope that as you continue your life journeys, you will invest yourselves in our community.

Our sincere wish is that your opportunities will be great, your challenges will be few, and that you and your family will enjoy happiness and good health.

Congratulations!

A handwritten signature in black ink, appearing to read "William J. Netchert".

William J. Netchert, Esq.
Chair, Hudson County Community College Board of Trustees

HCCC plans to hold an in-person Commencement ceremony at Red Bull Arena in May 2021, as the College is able to. During this ceremony, HCCC will honor all graduates from the 2019-20 and 2020-21 academic years.

2020 COMMENCEMENT KEYNOTE SPEAKER

JAMES ELLIOTT

When James was 19 years old, he was incarcerated for his part in an armed robbery and spent the next six years behind bars. It was a wake-up call, and he began serving others in the prison through his work as a chaplain's assistant, among other roles. He also took correspondence courses through Ohio University and completed 15 credits — something he'd been unable to accomplish before his incarceration.

Today, James has attained a dual degree in Human Services and Drug & Alcohol Counseling. He was also a member of the 2018-19 Phi Theta Kappa All-USA Academic Team which recognizes the top 20 community college students in the nations, as well as a New Century Pathways-Transfer Scholar for the state of Delaware. He is currently attending Columbia University as a Political Science major.

James is the first PTK International President to have been incarcerated. He is a passionate advocate for higher education in prison, and he shares his story whenever he can to help inspire and empower others to overcome the barriers created by negative labels and social stigmas.

"I have seen first-hand the individuals affected by mass incarceration," he said. "I love to help others because I know that I would not be where I am today if it wasn't for those that helped me. I want to make the world a better place and spread more equity to individuals who are being locked out of society."

With all that he has accomplished, he is most proud of his daughter, Vaeda, who was born January 8, 2018.

CONGRATULATIONS TO THE CLASS OF 2020!
