

## Campus Spaces and Technologies for Online Proctored Exams

*Compiled by the HCCC All College Council's Technology Committee*

Some courses may require use of online proctoring with Honorlock. Honorlock allows you to take exams on your own computer from any location on the Internet; more details are available [at this website](https://www.hccc.edu/programs-courses/col/honorlock.html): (<https://www.hccc.edu/programs-courses/col/honorlock.html>)

If needed, students may borrow a Chromebook and/or a Wi-Fi Hotspot via the HCCC Technology Request Form (a link is on the website noted above.) If just a webcam/mic is needed, it can be borrowed from the ITS open labs or library.

**Students still needing equipment and/or a place to take a proctored exam may be able to use one of the following campus locations; students need to make arrangements in advance.**
