

Welcome to the Early College Program!
Whether you are a new student or a current one, this flyer will help you with the next steps in getting you registered and set. Save this flyer for future reference.

Make sure to safeguard and remember your HCCC ID# that is stated in the welcome email you received after applying and being accepted to Hudson County Community College (HCCC). If you never received this email, it may be in your spam/junk folder or since a school email address was used, filters are preventing the email from going through.

If you have not already, make sure you read your welcome email closely and [claim your account to reset your password](#). If you encounter issues or if it states your account is already claimed, please contact ITS (itshelp@hccc.edu or 201 360-4310) for a manual account reset.

Registration Next Steps

Complete the [Student Agreement Form](#) and email it to earlycollege@hccc.edu. A member of our team will confirm receipt of the form and follow-up if there are any issues.

You can access [Liberty Link](#) to plan the course(s) you wish to take. An Academic Counselor will need to approve them. Each section will display the available seats, the max capacity of seats, and any wait-listed students.

NOTE: courses that began already may no longer be available for registration. Avoid late registration!
