PT Hemodialysis Technician Instructor

Hudson County Community College is an award-winning, comprehensive urban college with two campuses located just minutes from Manhattan in Jersey City and Union City, NJ. The Journal Square Campus sits at the center of Journal Square in the center of Jersey City, next to a major PATH station and transportation hub, while the Union City Campus sits adjacent to a vital light rail station.

Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was a finalist for the American Association of Community Colleges’ (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association’s Good Neighbor Awards in 2009 for the Culinary Conference Center; in 2012 for the North Hudson Campus Project; and in 2015 for the state-of-the-art, award-winning Glen Gabert Library Building.

The College is currently seeking for a Part-Time Hemodialysis Technician Instructor. Under the supervision of the Director of Continuing Education, the Hemodialysis Technician Instructor will plan, prepare, and deliver approved curriculum and lesson plans on a daily basis using hands-on techniques. The Instructor will organize instructional materials, supply inventories, tools, and equipment. The Hemodialysis Technician instructor will track students’ grades and attendance and lead, inspire, motivate, and advise students to actively participate in all aspects of their educational process. This instructor will also provide regular, accurate and timely feedback to students and the school concerning academics, behavior and attendance, assist the Program Coordinator with coordination of students’ externships or job placements, and assist students with their professional resume and other duties as assigned.

Requirements: Candidates must be a Registered Nurse with five (5) years of experience with at least two (2) years of experience in dialysis. Must have current industry certification and a minimum of two (2) years of teaching experience. Candidates must demonstrate competence in dialysis and must possess the ability to teach adult learners effectively. Computer proficiency and the ability to use Microsoft Word, Excel, and Outlook at an intermediate level is also required.

To Apply: Send letter of application, resume, salary requirements and names/contact information of three professional references.
